Resolutions Number 6067 through 6074

March 03, 2020

RESOLUTION No. 6067

Resolution to Recognize Classified and Non-Represented Employee
Appreciation Week March 2-6, 2020

RECITALS

- A. Portland Public Schools' Classified and Non-Represented employees are essential members of our educational team. From the moment a student steps on a school bus each weekday morning, their learning experience is shaped by members of our Classified and Non-Represented staff. On the front lines and behind the scenes, our Classified and Non-Represented staff are in a unique position to influence our school communities. They create a positive learning environment for our students by assisting them in the classroom; preparing and serving meals; caring for their physical needs; transporting them; keeping them safe, and aiding their families. Classified and Non-Represented staff keep our administrative and school offices humming; attend to our buildings and grounds; help us communicate with each other and our community; shepherd supplies and equipment, to name a few. Because of this vital and integral role, we are grateful for their work and support.
- B. Classified employees include members of our valued labor partners, including the Portland Federation of School Professionals (including administrative assistants, school secretaries, paraeducators, therapeutic intervention coaches, occupational and physical therapists, physical therapy assistants, certified occupational therapy assistants, sign language interpreters, campus security agents, study hall monitors, community agents, and others), Service Employees International Union (nutrition services and custodians), Amalgamated Transit Union (bus drivers), and the District Council of Unions (skilled maintenance (for example: painters, electricians, carpenters, and others) warehouse workers, and television services).
- C. For their efforts on behalf of the more than 49,000 students in the Portland Public Schools community, the Classified and Non-Represented employees deserve our collective recognition and thanks.

RESOLUTION

- 1. Be it resolved that the Board of Education declares March 2-6, 2020 Classified and Non-Represented Employee Appreciation Week in recognition of the many daily services provided to enrich and support students in Portland Public Schools toward their highest achievement possible.
- 2. Be it further resolved, that the Board encourages the Portland Public Schools community to join in honoring Classified and Non-Represented Employees for their positive impact on our students and our community.

RESOLUTION No. 6068

Adoption of the Traditional PPS Calendar for Rosa Parks in the 2020-21 school year

RECITALS

- A. In March 2014, Rosa Parks was granted permission to conduct a three-year pilot on a year-round calendar for the 2014-15, 2015-16, and 2016-17 school years. In February 2017, the Board passed Resolution No. 5395 that granted Rosa Parks one more year of the year-round calendar for the 2017-18 school year. On May 8, 2018, the Board voted to end the pilot for the Rosa Parks year-round calendar at the conclusion of the 2018-19 school year.
- B. Board Resolution 5845, passed on March 12, 2019, directed that during the 2019-2020 school year, District and Rosa Parks staff would examine academic and other student outcomes and community satisfaction under the year-round calendar, and provide the Board and community a recommendation on the continuation of the year-round calendar no later than the end of January 2020.
- C. In light of the in-person and survey engagement conducted by District staff and that the four-year summary of student performance on the Smarter Balanced Assessment shows a continued decrease in academic performance of students meeting state grade-level expectations in English Language Arts and Mathematics, staff recommends returning Rosa Parks to the traditional calendar.
- D. The return to a traditional calendar brings better alignment to other educational programming offered in the district and wraparound services available to Rosa Parks students. The addition of a five-week summer school (providing students with additional instructional days), SUN after-school programming, and the Early Kindergarten Transition Program adequately responds to and addresses the priorities surfaced from community members, which have not been fulfilled with the year-round calendar. Additionally, a traditional calendar will provide the school with coordinated calendars with the Clarendon Early Learning Academy, George Middle School, and Roosevelt High School.

RESOLUTION

- 1. The Board approves Rosa Parks concluding the use of the Year-Round Calendar at the end of the 2019-20 school year and returning to the traditional District calendar for the 2020-21 school year.
- 2. This return to the traditional calendar will introduce the following programming at Rosa Parks:
 - a. SUN after-school programming to better align after-school programs in the neighborhood and with George Middle School and Roosevelt High School;
 - b. The Early Kindergarten Transition Program (EKT) that provides a three-week program in July and August for incoming Kindergarten students;
 - c. Five-week summer school program that will make available to students additional extended-learning and enrichment opportunities

RESOLUTION No. 6074

Student Investment Account Application 2020-2021

RECITALS

The funding from the Student Investment Account (SIA) provides an exciting opportunity to make strategic investments that will support and accelerate improved student outcomes. Through a comprehensive and collaborative process, PPS has developed a plan that directly aligns to the stated purposes for the SIA funds:

1. Meet students' mental or behavioral health needs, and
2. Increase academic achievement for students, including reducing academic disparities.

Oregon Department of Education (ODE) is using targeted universalism as a guiding framework. We have developed a plan that can benefit all students while targeting investments for our historically underserved students. The plan, process, and investments are outlined in our Student Investment Account Application.

- A. The funding allows the District to make deeper investments across the prioritized system shifts to support and accelerate improved student outcomes and reduce academic disparities.

Prioritized System Shift	SIA Investment
A Connected and Transformative School District	\$2,132,425
Racial Equity Aligned Systems, Structures, and Culture	\$8,854,500
Cultivating System-Wide Learning and a Diverse Workforce	\$500,000
Transformative Curriculum and Pedagogy	\$15,181,194
A Culture of Physical and Emotional Safety	\$12,494,150

- B. Charter Schools and Community-based Education Agencies (CBOs)

The PPS SIA plan allocates SIA funds to Charter Schools* and Community-based Education Agencies. The allocation includes:

- Funding based on a weighted ADM to ensure they receive the SIA funds our district was allocated for our shared students.
- An additional equity allocation based on our district's equity formula that considers teacher salaries, student demographics, and numbers of students served. The equity funding is designed to bolster supports for our historically underserved students.

*Charter School notes:

- The allocation includes funds for district-sponsored charter schools as well as two state sponsored charter schools: The Ivy School and Cottonwood School of Civics and Sciences. Allocations will be based on weighted ADM. Estimates are as follows:

Charter School	Est. SIA Allocation
Opal School of the Portland Children's Museum	\$63,877
Emerson School	\$103,426

March 03, 2020

Portland Arthur Academy	\$127,462
Portland Village School	\$293,899
The Cottonwood School of Civics and Science	\$146,987
The Ivy School	\$191,728
Le Monde French Immersion Public Charter	\$239,559
Total	\$1,166,938

- Kairos PDX was invited to participate in our plan, but qualified for and elected to submit an independent application, so they will receive their allocation directly from ODE.

C. Oregon Department of Education requires Board approval of the SIA Application.

RESOLUTION

The Board of Directors approves the Student Investment Account Application that will be submitted to the Oregon Department of Education.

RESOLUTION No. 6075

Resolution to Recognize March 1-7, 2020 as School Social Work Week

RECITALS

- A. School social workers in Portland Public Schools serve as vital members of the educational team, playing a central role in creating a positive environment at schools;
- B. School social workers in Portland Public Schools are especially skilled in supporting students who face serious challenges to school success, including poverty, disability, discrimination, abuse, addiction, bullying, loss of a loved one, and other barriers to learning;
- C. School districts and local educational agencies should continue to work with school social workers to address students' social, emotional, physical, mental health, and environmental needs so that-as the PPS vision identifies- students may be compassionate critical thinkers, collaborative problem solvers, and be prepared to lead a more socially just world.

RESOLUTION

The Board of Education of Portland Public Schools extends greetings and best wishes to all observing March 1-7, 2020, as School Social Work Week.

RESOLUTION No. 6076

Resolution to Recognize March 2020 as Developmental Disabilities Awareness Month

RECITALS

- A. The disability experience is a natural part of life and is valued as a part of our rich human diversity.
- B. Disability is a social construct. The ‘problem’ is not the medical condition that resides within the student, but the ‘problem’ is that society does not create welcoming, supporting environments/policies/systems for all. Therefore, we choose here to use “dis/ability” in order to recognize differing abilities *NOT* as an individual trait, but rather as an artifact of our cultural, political, and economic practices (Davis, 1995). We can change the impact of dis/ability.
- C. The most effective way to change the impact of disability is by increasing our own awareness and being open to learning and acknowledging that there are systemic barriers that reduce the likelihood of those with dis/abilities enjoying equitable experiences and having independent, productive lives within their school and broader communities.
- D. Equitable experiences and meaningful acceptance within Portland Public Schools educational environments is a matter of social justice. Consequently, creating equitable inclusive environments is a shared responsibility of everyone because community means all.
- E. Policies must be developed, attitudes shaped, and equitable experiences be offered to all students; including those with developmental disabilities and no matter their race or heritage language.
- F. Portland Public Schools should do all in their power to:
 - 1. Recognize the value and intersectionality of the disability experience in our students and their families, and the valued role it has in the rich diversity of our community.
 - 2. Recognize the barriers presented to students with dis/abilities.
 - 3. Create ways to include everyone; especially students with developmental dis/abilities, to be fully included in all aspects of our Portland Public Schools.

RESOLUTION

Portland Public School’s Board of Education proclaims March 2020 as Developmental Disabilities Awareness Month and galvanize efforts that will lead our schools and policy makers to create real systems change so people with developmental dis/abilities will enjoy equitable, inclusive educational experiences.
