RESOLUTION

The Board of Education upholds the Superintendent's decision of the Step 3 appeal as the final decision including completion of staff safety and security training that occurred from July – November 2019 and completion of Wilson High School security facility improvements on March 26, 2020:

- Electronic access control systems, including video intercoms and electronic locks at the main entrance and main ADA entrance of Wilson High School. This system gives school staff the ability to see who is at the front of the building and control who may enter the site.
- Public address system speakers in common gathering areas including hallways, gyms, cafeterias, auditoriums, and playgrounds.
- New signage to direct school visitors to the main entry and require check-in at the main office.
