Subject: Second First Reading: 8.30.010-P-District Funds for Purchase of Gifts, Meals, and Refreshments Policy

BACKGROUND

The Secretary of State's Audit Report in January 2019 raised concerns about food and beverage purchases using District funds. It noted that most of the district's expectations relating to meal and food purchases were based on a 2005 Board Policy that did not put limits on refreshments for regular staff meetings or limit working meals to meetings with a minimum level of attendance. In Recommendation #6, the auditors recommended improving policy guidance on "taxpayer-funded meals, parties, student incentives, and gifts."

In direct response to these recommendations, and after reviewing other agencies' policies (including the State of Oregon Department of Administrative Services guidelines), in April 2019 the Chief Financial Officer and the Purchasing & Contracting department distributed CFO guidelines on the appropriate use of District funds for the purchase of meals, refreshments, gift cards, and gifts. These guidelines were also incorporated in the PCard manuals and trainings. This guidance was designed to respond to the Secretary of State's audit recommendations and to provide greater clarity and direction to staff while awaiting development of a new Board policy.

The Board of Education's Policy Committee held meetings on July 10, 2019, August 5, 2019, and December 16, 2019, to review the policy of District Funds for Purchase of Meals and Refreshments for Meetings (original title) and to discuss proposed changes that would provide clear guidance to District staff on the appropriate use of District funds for Meals, Refreshments, and Gifts. It heard from members of the Finance Department on changes it has made in oversight and process, as well as reviewed the Department's updated guidance to District staff for PCard use and District spending. As a result of these discussions, the committee made the attached changes to the policy, including the name of the policy.

The proposed policy was presented for a first reading at the February 4, 2020 Board meeting. The Board Policy Committee continued to discuss the proposed policy at its

February 10th and 19th and March 9th meetings, resulting in additional substantive changes. On March 9th, the Policy Committee agreed to bring the policy back before the Board for a second first reading

RELATED POLICIES/BEST PRACTICES/ ANALYSIS OF SITUATION

The suggested revisions conform to OSBA and state guidelines and are also responsive to the recommendations made in the Secretary of State’s audit.

FISCAL IMPACT

We don’t believe these revisions will impose a fiscal impact.

COMMUNITY ENGAGEMENT (IF APPLICABLE)

As this policy only impacts staff, there was no community engagement aside from following the Secretary of State’s audit recommendations.

TIMELINE FOR IMPLEMENTATION / EVALUATION

Updated CFO guidelines governing the purchase of meals and gifts District-wide have been in effect, and enforced by the PCard and Employee Reimbursements teams, since November 2019. The proposed policy and associated administrative directive mirror the updated CFO guidelines already in effect.

CONNECTION TO BOARD GOALS

These revisions are within the Board’s fiduciary goals of insuring appropriate use of District funds.

STAFF RECOMMENDATION

We recommend that the School Board adopt this revised policy.

As a member of the PPS Executive Leadership Team, I have reviewed this staff report.
