Subject: Additional Student Engagement Timeline - Search and Seizure Policy, 4.30.040

BACKGROUND

Various levels of student engagement on the search and seizure policy occurred between September 8, 2019 and November 13, 2019. Staff reviewed, categorized and created themes for suggestions to strengthen the policy.

ANALYSIS OF SITUATION

Student Board of Education Director Latterell and the Senior Advisor for Racial Equity & Social Justice created draft policy language with those suggestions, which will be brought for additional engagement opportunities for feedback.
