Resolution to Recognize Classified and Non-Represented Employee
Appreciation Week March 5-9, 2018

RECITALS

- A. Portland Public Schools' Classified and Non-Represented employees are essential members of our educational team. From the moment a student steps on a school bus each weekday morning, their learning experience is shaped by members of our Classified and Non-Represented staff. On the front lines and behind the scenes, the men and women of our Classified and Non-Represented staff are in a unique position to influence our school communities. They create a positive learning environment for our students by assisting them in the classroom; preparing and serving meals; caring for their physical needs; transporting them; keeping them safe, and aiding their families. Classified and Non-Represented staff keep our administrative and school offices humming; attend to our buildings and grounds; help us communicate with each other and our community; shepherd supplies and equipment, and because of this vital and integral role, we are grateful for their work and support.
- B. The Board of Education for Portland Public Schools acknowledges and applauds Portland Public Schools' Assistive Tech Practitioners, Attendance Monitors, Book Clerks, Bookkeepers, Bus Drivers, Campus Monitors, Clerks, Community Agents, CNA's, Custodians, Educational Assistants (ESL, Headstart, Gen Ed), Food Service Assistants, Instructional Tech Assts., Library Assistants, Licensed Physical Therapists (LPTA), Certified Occupational Therapy Assistants (COTA), Maintenance Workers, Nutrition Services Workers, Orthopedic Equip Techs, Occupational and Physical Therapists, Para Educators (Special Ed), Secretaries, Security Techs, Sign Language Interpreters, Transportation Route Schedulers, Analysts, Associates, Coordinators, Functional Leads, Developers, Advocates, Evaluators, Photojournalists, Supervisors, Technicians and Specialists and Senior Specialists and more too numerous to mention.
- C. For their efforts on behalf of the more than 49,000 students in the Portland Public Schools community, the Classified and Non-Represented employees deserve our collective recognition and thanks.

RESOLUTION

- 1.Be it resolved that the Board of Education declares March 5-9, 2018 Classified and Non-Represented Employee Appreciation Week in recognition of the many daily services provided to enrich and support students in Portland Public Schools toward their highest achievement possible.

Resolution on Gun Violence in our Schools

RECITALS

- A. There is a need for the nation's major city school systems to express their positions on school safety matters that affect their students and the children residing in their cities.
- B. Thousands of America's students have publicly expressed concern for their safety and well-being and have indicated that policymakers should act immediately to protect them in school and beyond.
- C. The leaders of Portland Public Schools respect the concerns of their students, and support the growing civic and social participation of high school students that was inspired by recent events.
- D. Since the school shooting in Columbine in 1999, there have been numerous other school shootings, including at Thurston High School in Springfield, Springwater Trail High School in Gresham, Reynolds High School in Troutdale, and Umpqua Community College in Roseburg, as well as in Red Lake (MN), Lancaster (PA), Blacksburg (VA), Chardon (OH), Cleveland (OH), Sandy Hook (CT), Broward County (FL), and many others that have taken scores of young lives.
- E. Too many of our young people are shot and killed on the streets of our major cities almost every day.
- F. Americans are 25 times more likely to be killed with a gun than people in other developed countries, including, on average, one Oregonian per day.
- G. Americans make up about 4.4 percent of the world's population but own some 42 percent of the world's guns.
- H. Teachers are not trained law enforcement officers, and should not be asked or incentivized to keep weapons accessible in their classrooms.
- I. There is no evidence based on any credible research to suggest that adding guns into a school setting or arming teachers would prevent these acts of violence.
- J. Schools across the country need considerable additional resources to plan for the possibility of such acts of violence, coordinate with law enforcement, and secure their buildings from intruders.
- K. Our schools lack the mental health counselors, psychologists, and social workers they need to identify and work with students showing warning signs for depression and violence.
- L. The nation's data collection on gun violence and gun ownership is inadequate to monitor, understand, or prevent these events from happening.
- M. The multiple school shootings that the nation has witnessed over the years have complex causes requiring multiple solutions.

RESOLUTION

- 1. The Board of Education of Portland Public Schools stand with the students of Broward County Public Schools and the nation in demanding effective and comprehensive action from the federal government to protect schoolchildren.
- 2. The Board of Education of Portland Public Schools calls on the Congress of the United States and the State of Oregon to ban the manufacture, sale, purchase, possession, and use of all semi-automatic weapons and large-capacity ammunition cartridges, except those needed by the military and law enforcement.
- 3. The Board of Education of Portland Public Schools calls on the Congress of the United States and the State of Oregon to require and strengthen universal background checks to possess any type of firearm.
- 4. The Board of Education of Portland Public Schools calls on the President of the United States to charge all agencies of the federal government with the task of reducing the number of gun-related injuries and deaths in America.

- 5. The Board of Education of Portland Public Schools is opposed to the arming of teachers to protect schools and children.
- 6. The Board of Education of Portland Public Schools calls on the Congress of the United States to extend the perimeter of Gun-Free School Zones.
- 7. The Board of Education of Portland Public Schools calls on the Congress of the United States to appropriate adequate new funds to allow school districts across the nation to plan and coordinate school security efforts with law enforcement officials and make other building alterations that may be necessary to protect students, teachers, and staff.
- 8. The Board of Education of Portland Public Schools calls on the Congress of the United States to appropriate adequate new funds to increase the numbers of counselors, mental health staff, psychologists, and social workers in our schools.
- 9. The Board of Education of Portland Public Schools calls on the Congress of the United States to rescind the Dickey Amendment that has prevented research into gun violence and to require that states and the federal government collect the data necessary to track, monitor, understand, and prevent the epidemic of gun violence in America.

Resolution Approving the Request for Extension of the Charter Agreement with Portland Arthur Academy Public Charter School

RECITALS

- A. On March 28, 2011, the Portland Public School Board ("Board") approved Resolution 4437 to renew the contract with The Portland Arthur Academy Public Charter School ("Portland Arthur Academy").
- B. The term of this contract was a five-to-ten-year "flexible" term, which is defined in Section J of the contract with Arthur Academy as the following:

"The term of this agreement shall be for five years, scheduled to terminate as of June 30, 2016 (unless earlier terminated as provided herein). However, this agreement shall be considered a "flexible term" agreement, and will contain the following provisions:

- During the fifth year of this contract, the Board and/or the school will determine whether a
 renewal process is deemed necessary based on Arthur Academy's ability to meet academic
 performance standards, its fiscal stability, its adherence with all applicable state laws, and its
 compliance with all terms of this contract.
- 2. If the Board and/or the school determine that a renewal process is not necessary, then the term of the contract shall be extended by one year.
