

Proposed Amendments to Policy 2.50.010-P

1) Proposed Amendment to 2.50.010-P(8) as follows:

(8) Requesters who believe the district has inappropriately withheld records or assessed fees may request an expedited review of such decisions by the Board, which will decide whether to hear the appeal and, if it does, issue a decision within 30 days. The Board's procedures will preserve the confidentiality of the records in question during such an appeal.

Requesters retain their statutory right to request such review from the Multnomah County District Attorney, and the availability of an appeal to the Board does not preclude a requester from appealing a denial directly to the District Attorney rather than to the Board.

2) Proposed Amendment to 2.50.010-P(3) as follows:

(3) The district recognizes that it is in possession of sensitive and confidential information about our students, staff, and families. Upon receiving a public records request seeking potentially sensitive, personal, or private information related to a staff member the district shall notify the staff member and the staff member's union (if represented) in writing of the existence and nature of the records request. In responding to public records requests, the district will follow state and federal law.
