Portland Public Schools
Board of Directors'
Superintendent's Performance Evaluation
for School Year 2019-2020

SUPERINTENDENT ANNUAL EVALUATION

The Board has adopted an evaluation tool that acknowledges the complexity of the role of the Superintendent while, at the same time, setting and maintaining performance expectations for students at all levels within Portland Public Schools.

The evaluation framework is aligned to core standards identified by the Oregon School Boards Association; this evaluation includes the following five **Prioritized Leadership Standards**:
- Visionary Leadership
- Communications and Community Relations
- Curriculum Planning/Development
- Resource Management
- Labor Relationships

These were supplemented with the four **Performance Goals** adopted by the board in October of 2019.

In order to allow this multi-factored evaluation to be summarized effectively, each **Prioritized Leadership Standard** and **Performance Goal** is to be rated using a 4-point Rubric. The average of the performance across leadership standards and performance goals will be used to determine the final evaluation for the superintendent using this scale provided by the Oregon School Boards Association:
