A Message from Principal Pam:

I can't believe it is the end of January already! They say, "Time flies when you're having fun!" And I am. Every day I am learning. Every day I am grateful to be a part of this great community. But I want to do more and know more how I can serve you.

Please come share your ideas on February 21 at 8:05 am in the Cafeteria at our next *Perk Up with Pam* coffee talk. I will share a little about staffing projections for the 2020-21 school year and then would love to hear your feedback. Speaking of feedback, please consider completing the Successful School Survey (See details below. You should have received an email link.) Have we been successful in creating a safe, healthy, and welcoming learning space that is inclusive for all students? What are we doing well and where can we improve? This survey is one of the ways I have to learn from you how we are doing and where my staff and I need to focus our attention in the future.

Warmest Regards!

Mrs. Gwynn

From the Phys. Ed. Department:

We cannot thank our families enough for all the marvelous can and bottle donations that have been pouring in to support the PE program at Llewellyn. **PLEASE REMEMBER: bags of cans and bottles can ONLY be dropped off on designated days!** The Fire Marshall has determined that we cannot hold these bags in the hallway, and we only have volunteers to take the bags on designated days. Thank you for your help with this matter. **The next bag drop-off day is Wednesday, February 5th!**

From the School Nurse:

It's the season of "falling" into puddles. Which means we are in need of SMALL boys & girls pants; leggings are also good. Thank you for your support!

From the PTA:**Llewellyn's OBOB Battle will be February 20th!!**

Teams should check their email for information about Llewellyn's battle as well as the dates for the regional and state battles. - Kimberly and Tracey, klevelle@gmail.com

Successful Schools Survey

Shape the future of your student's education!

What is the first thing that comes to your mind when you hear the phrase "successful schools?" We believe that successful schools are safe, healthy and welcoming learning spaces that are inclusive for all students. But we want to hear your thoughts.

In 2019-20, Portland Public Schools is again partnering with Panorama Education to gather information students and families that will help us improve student experiences across the district. We will survey students in grades 4, 5, 7-10 on their experiences in their classrooms and schools, and families about their perception of the school their child attends.

The survey will cover topics on sense of belonging, school safety, school climate, barriers to family engagement, as well as how students are thinking and feeling about diversity, equity, and inclusion in school.

The current launch date is set for January 27th, the student window is scheduled to be open until February 14th and the family survey until February 28th. Stay tuned for further information!

Please be honest and thoughtful, we value your feedback!

Meal Benefits – Families can apply at any time!

While the Nutrition Services department has processed thousands of applications for free/reduced price meal benefits for families this fall and many others were directly certified (eligible) because they received SNAP benefits, we are finding that families who were eligible last year may not have reapplied this school year. On October 10, all families who were eligible last school year (2018-19) and did not reapply this school year, switched from free/reduced status to paid status. It is not too late! **You can still apply at any time.** If a family's financial situation has changed midyear, they can still apply throughout the school year. Please contact our department for further support: mealbenefits@pps.net or 503-916-3402
