### A Message from Principal Pam

Change is in the air! The leaves are turning and the air is chillier. Some people respond to these changes by taking things in stride while others tend to balk. At Llewellyn, we like to look at change with a growth mindset-how can we create a more positive school climate, how can we improve student achievement for all students? On October 18th at 8:30 am I will be hosting my first *Perk Up With Pam* coffee chat in the Cafetorium. Please join me as I share with you State Achievement Testing Results along with the Successful School Survey Results and how these results impact our goals and action plans for this school year. I hope to see you there!

As you know, safety is a high priority here at Llewellyn. I understand that it has been a long standing practice for students to stay after school to use the playground equipment and to play soccer in our field. Many times there are adults present while students play. Recently the question has come up about whether students can play on the field after school hours without adult supervision. While I could not locate any District Policy saying students can or cannot play without supervision on the playground, I want to draw everyone's attention again to the Safety Section of our School Handbook which states "We do not have staff available to supervise children before and after school hours. Please do not drop your child off at school before 7:45am. Be sure to pick them up at 2:15. We cannot assume liability for children beyond these hours." Please help your child to make the safest and most responsible decision for your family.

### From the office:

Please be VERY aware of the bus zones! We have had quite a few parents parking in the marked bus zones (especially in the back) and we need to keep these areas clear. Also, the parking lot in the back of the building is for designated staff ONLY. Please do not pull into this area - not even to drop off! The loop in the back of the school by the playground is a NO PARKING ZONE. This space is needed for the busses that park in the back to turn around. Thank you for your support of our students!

Additionally, our school Health Room is in need of extra clothing for larger students (9 and up). Donations can be brought to the Office or the Health Room.

Finally, the new visitor / volunteer system (Raptor) is up and running! A photo ID **WILL BE REQUIRED** to sign in the first time as both a visitor OR volunteer. Thank you for your patience as we scan each new person into the system! Need more information? Check this out: [Raptor Parent Letter\\_Revised.pdf](#)

### From the School Counselor:

Hello Families!

As we begin to approach holidays and breaks, I wanted to reach out and provide information about Llewellyn's Community Care Program. Llewellyn's Community Care program helps to support families who are needing assistance with food, clothing, and holiday gifts. We are partnering with our PTA and local community agencies to be able to provide these items. Please know that all support is confidential and your family will work directly with the school counselor. If you would be interested in receiving support please complete the attached letter: [Llewellyn Community Care Program Letter.pdf](#) As always if you have additional questions, please feel free to contact me via email at [bsill@pps.net](mailto:bsill@pps.net)

Thank you!

Mrs. Brittany
