Safety at Llewellyn

There is a great deal of traffic on 14th Ave, in front of the school during drop off and pick up. For the safety of all students, their families, and many pets, please consider driving south only. Additionally, there is a plenty of parking at Wilhelm's lot just south of Llewellyn. Parents are encouraged to park there and walk back to alleviate congestion in front of the school.

Dear Families;

With the holidays fast approaching, we are reminded of holiday themes that focus on *thankfulness* and *thinking of others*. Whatever the specific holiday or celebration in which we may participate, many of us will spend time reflecting on life's bounties and counting our blessings. Here, at Llewellyn we truly have many reasons to be thankful.

First of all, for our Teachers and Support Staff.

At Llewellyn you'll find passionate teachers and support staff who are creative, knowledgeable, and thoughtful people working tirelessly to provide lessons that engage and challenge students all day every day and support their success in countless ways. It is easy to see that our teachers truly care about our students and the community in which they work.

Let's not forget the reason we are all here, our Students.

Llewellyn has some of the most remarkable students in the city. They eagerly come to school, excited to learn each day. They impress us all with their abilities, talents, and humanity.

Last, but not least, our Community.

Llewellyn is also very blessed to have parent volunteers who work behind the scenes helping in so many different ways: in the classroom, the cafeteria and playground, and the library. Still other community volunteers participate in the PTA and/or the Llewellyn Foundation, just to mention a few. However, as amazing as our teachers, staff and students are, we would not be able to be as effective without your strong community support.

Winston Churchill once said, "We make a living by what we get; we make a life by what we give." As an educator, I continuously strive to make a difference. While this means a great deal of hard work, in all honesty, I feel I often reap more than I sow. Llewellyn is an amazing place to work and I am thankful that I have been given the opportunity to be a part of its community!

Happy Thanksgiving!

Pam Gwynn
