Dear Llewellyn Families,

**Teacher Appreciation Week:** Today we are filled with gratitude for the many wonderful ways that you, our community of parents and caregivers, have spoiled the Llewellyn Staff this week during Staff Appreciation week. From the star mural, sign out front, and Monday's clap for teachers, to the incredible lunches, donuts, delectable baked treats, and the heart felt cards. Your kindness has lifted our spirits and filled our hearts! Thank you so very much!

**School Photo Volunteers:** Thank you Nycole Ferguson, Debbie Conrad, Jonathan Ascher, Allie Beard, Dena Sayama and Emily Pitts so much for helping during Tuesday's School Photo Day! Your help allowed everything to run efficiently and smoothly! I can't wait to see the photos! A BIG thank you to the PTA for covering the cost of the tent so pictures could happen!!!

**Vision & Mission-Community Meeting:** Thank you to our parents who were able to attend last night's virtual meeting. The values you shared and the reflections discussed will help us greatly as we bring what matters to our community into the drafting of our new vision and mission statements. Next up? As soon as the drafts are written, we will share them with you and ask for your feedback once again.

We recognize that this is a busy time of year with student sports events and other activities opening up again, so if you were not able to attend, we have recorded the meeting and have a [Google Form that you can complete](#) in order to share your thoughts and values. *You can complete the Google Form without having watched the video.* **We really need and value your input and participation in this process as these statements will help guide our focus and future decisions for our school.** We want our Vision and mission to truly reflect our school community as a whole.

### **Next Year Planning**

We have started our 2021-2022 school year planning. With that comes the creation of class lists. The following are two Google forms that will aid us in this process.

[Llewellyn Planning Form](#) Please let us know if your child is planning to return to Llewellyn in the fall.

[Llewellyn Parent Information Form](#) If you feel we need additional information on your child when making our classroom placement decision, this is your chance to let us know.

Both of these forms are due by Friday, May 21, 2021.

Thank you for your time.

### **Impact of Memorial Day on All Schedules**

Since Monday, May 31st is a no school holiday for Memorial Day, we will be shifting Cohort days for all grades and there will be no Asynchronous day that week. **This means our students will attend in-person on Tuesday-Friday (June 1-4).**

## **From the Gym**

Hello Llewellyn Families,

It has been great to get to see all of our students either virtually or in person. I know personally I have missed them greatly.

Thinking ahead to next school year. Wouldn't it be great to have ALL our students come back to a freshly painted playground? Please continue collecting and turning in the blue bottle drop bags. It has been a great help to us being able to supply our students with the equipment they need for the playground and PE.

If you have any questions about the bottle drop program or would be willing to volunteer so we can do a collection at the school please let me know: [abernardo@pps.net](mailto:abernardo@pps.net)

Thank you,

Ms. B

## **From the Library**

The 2nd and 3rd graders had a great visit with Aron Nels Steinke on Wednesday. You can still order one of his signed books until Monday, 5/10 at noon. Remember, fulfilling 30 book orders with our friends at the independent bookstore, Green Bean Books, is what allows us to have these author visits.

Use this link to order and select "Pick up at Llewellyn Elementary" for free delivery to school:

<https://greenbeanbookspdx.indielite.org/aron-nels-steinke-author-visit>

Books will be available by the end of the week for pick-up at the library or will go home with any students learning in-person.

Please return any Llewellyn library books your student is done with. We have thousands of books out with families, which is great, but the library needs to start inventory and no one wants our books lost forever under beds and in the back of closets! Last day for book bag checkout will be Tuesday, May 18.

Upcoming events:
