Happy almost May, everyone!

The Llewellyn counseling team is working on teaching identity lessons, and the first lesson included a really awesome book about diversity. We wanted to make sure everyone has an opportunity to hear the story, so if you would like to hear Ms. Allie read you a story about **diversity** and how our differences make the world a more awesome place, you can check it out here: "[Be Different, Be Kind](#)" - a read aloud (it is a little less than 9 minutes long). We will also be posting the video with an accompanying activity to our Seesaw - check it out!
