Welcome to Constitution Team! I'm excited for this upcoming year at the Marshall campus. I'm busy recruiting more lawyer coaches to work with us in the fall!

Attached you will find the unit you are assigned. Please check out the We the People textbook from Ms. Linda Espinoza in the textbook room by June 5th. Your summer assignment is to read and take notes for your assigned unit only. You will earn points for your notes so please label them with the lesson number at the top.

If you have any questions you can email Ms. Alonso aalonso@pps.net or stop by room B33 before summer break.
