Summer Assignment

Description: Your summer assignment is to complete 3 unit tutorials through Khan Academy. The tutorials include instructional videos, practice problems, quizzes and tests. You will only be graded on the quizzes and tests (9 total assignments). The videos are there to support you if you need a refresher.

Step 1) Create an account and join our Khan Academy Class:

KHANACADEMY

How to join your teacher's Khan Academy class

- 1 Sign up at khanacademy.org (or log in if you already have an account).
- 2 Visit khanacademy.org/coaches (the "Coaches" tab in your profile).
- 3 In the "Join a class" field, enter the class code.
Class code: **BGE5VKJ4**
- 4 You're set. Now click [Home](#) to start learning!

Step 2) Complete the quizzes and unit tests from the first three units of the AP Stats content (Analyzing Categorical Data, Displaying and Describing Quantitative Data, and Summarizing Quantitative Data) by September 1st

Step 3) Enjoy the rest of your summer
