### School Environment

#### CLASS SIZE

Median size of classes in core subjects.

#### REGULAR ATTENDERS

Students who attended more than 90% of their enrolled school days.

### Academic Progress

#### ON-TRACK TO GRADUATE

Students earning one-quarter of graduation credits in their 9th grade year.

### Academic Success

#### ON-TIME GRADUATION

Students earning a diploma within four years.

#### FIVE-YEAR COMPLETION

Students earning a high school diploma or GED within five years.

#### COLLEGE GOING

Students enrolling in a two or four year college within one year of completing high school.

### School Goals

Our focus is on literacy and math fluency, with the aim of refining our instructional strategies and providing all students with the skills they need to be ready to succeed in college and careers. We strive to provide a welcoming environment and equitable opportunities for students of all races, genders, and home languages. We encourage you to contact us with any questions, concerns, or information that will help us ensure success for your students.

### State Goals

The Oregon Department of Education is working in partnership with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

### Safe & Welcoming Environment

We work hard to make our school a place where all students and families feel welcome and included. We celebrate our community's diversity and we honor this diversity in our learning activities. We understand how important it is to keep our students feeling safe, both physically and emotionally, when they are with us.

### Outcomes

### About Our School

#### ADVANCED COURSEWORK

Most high schools in Portland Public Schools offer Advanced Placement or International Baccalaureate courses in several subject areas. In addition, students have the option to earn college credit for some classes.

#### CAREER & TECHNICAL EDUCATION

District-wide we have 60 state-approved CTE programs of study. Career clusters include Architecture and Construction, Health Services, Information Technology, Manufacturing, and others. As part of these programs, we facilitate career learning experiences for students such as guest speakers, field trips, job shadows, etc. Visit our CTE web page for additional information: <https://www.pps.net/Domain/190>

#### EXTRACURRICULAR ACTIVITIES

Our school offers a variety of extracurricular activities. Check our website for details about specific activities.

#### PARENT & COMMUNITY ENGAGEMENT

Our school offers several meetings each year where we invite families to attend. The meetings are to discover what your children are learning at school, to see examples of their good work, and to learn ways that you can help them succeed at school. We will inform you of these school events and celebrations through our newsletters and other media. Please check our website for details about these events. We appreciate our community neighbors and want them to feel welcome to join us in supporting the success of our students.
