

Help your CHS student!

The CHS Foundation and the PTA are independent groups with separate boards working together to create a richer learning and extra-curricular environment for students. Here's what they do:

CHS Foundation

The Foundation is the only CHS entity that can raise funds for teaching and staff positions not financially supported by the District. Your assistance is crucial to help CHS maintain and expand on the gains we've made over the past couple of years. In recent years, the Foundation has funded:

- Core classes such as science, English, math and history
- Performing arts, including stagecraft
- Smaller Freshman Academies & class sizes
- Additional counselors and educational assistants
- Culinary arts and woodshop classes

Major Foundation Fundraisers

- Cleveland Warriors Campaign
- Annual Appeal (joint w/ PTA)
- Hawaii Raffle and Appeal at Auction
- Senior Ad

CHS PTA

The PTA raises money for classrooms and special projects that benefit all students:

- Specific teacher grants for microscopes, science kits, woodshop tools, Spanish dictionaries & more
- All school projects, such as partial funding of the auditorium's new sound board
- Events that celebrate our students, such as the Rose Festival Tea, the Senior All-Night Party, Lunch & Baccalaureate
- Enhancing classroom learning through guest artists
- Extra training for staff through summer workshops & curriculum development
- Supporting school leadership, IB, band & speech fees for kids in need so all students can participate in CHS activities
