STUDENT DIRECTORY FORM  
2016-2017

### STAY CONNECTED

The CHS Directory plays an important role in keeping students and parents connected during the school year. In an effort to include more families we are using both school registrations and family information provided on this form.

- If you do not return this form: Your family will be included based on information provided to the school.
- If you don't want to be included: Complete the opt-out form below.
- If you want a restricted listing: Complete the form below and provide the desired listing on the reverse.

### HOW TO GET A DIRECTORY

All families will receive an electronic copy of the directory sometime during the first months of the school year.

### TO OPT-OUT OR CHANGE LISTING

If you would like to be removed from the Directory or make a change to your listing, fill out the section below. Return this form at registration or to the office by **September 20th**. We cannot guarantee exclusions or changes for forms returned after that date.

Check one (1) box below:

- I do NOT want to include any of my student's information in the Directory.
- I want to include ONLY the information I have provided on the back of this form.
