CHECK OUT GRANT'S OFFICIAL STUDENT APP!

Trivory is our **official app of Grant High School**, and although it is primarily for students, families should use it, too! This app will be used to help students stay in the know about upcoming school events and activities, school-wide announcements, weekly student video announcements, bell schedules, important dates, links to social media, and more! Download the free app through the Apple Store or Google Play. Watch [this helpful tutorial](#) created by our own Grant Leadership students.

On a side note, big shoutout to Terren Gurule, Roosevelt High School senior, who created the amazing app!

GHS RESOURCE CENTER

Grant High School now has Confidential Advocates on campus. What does an advocate do? Advocates provide 100% confidential support to PPS youth of all genders. This includes connecting you to resources and walking alongside you regardless of whether you choose to report to law enforcement or participate in a school-based investigation under Title IX. For more information please refer to [Title IX services](#).

Students, families, and PPS affiliates are welcome to call or text our confidential advocacy hotline at (503) 809-HELP (4357). Operating hours are Monday-Friday 9am-5pm, but texts and voicemails received during off hours will be responded to promptly. We are thrilled to be offering this service as we want to make connecting with advocacy services more accessible for our whole community.

4-Star Hunger Project

The 4 Star Hunger project provides a weekend supply of nutritious food for students/families in need when school lunch and breakfast is unavailable on the weekend or school holiday. This program is funded through donations, so please consider donating (monetary, gift cards or non-perishable food items). For more information please contact Catrina Knoerzer, School Social Worker at 503-916-5160 or cknoerzer@pps.net.

Parents know how lonely it is to care for a young person experiencing emotional, behavioral and mental health challenges. It can be frightening and isolating. It's hard to know where and how to reach out for help and information. As caregivers, we have experience navigating challenges on behalf of our children and families. And as a community, we have much to offer one another. This is what Reach Out Oregon is all about, a supportive community where you will find a support team: Parent to Parent.

TESTING

PSAT - October 13, 2021

The PSAT will be offered to all 10th graders at no cost. All 10th graders are automatically signed up to take the PSAT at Grant.

In our inability to offer the PSAT test last year due to the pandemic, PPS is offering the PSAT to all 11th graders, at no cost as well. **BUT** we need to know by Wednesday, September 8, 2021 if you are planning on taking the PSAT this year. Please fill out [THIS FORM](#) if you wish to take the PSAT. (Please note that only the student can fill out the form since it is attached to their pps email address)

At this time our testing date is October 13, 2021. However, we may add a second date of October 26, 2021 if we have a large number of Juniors requesting to test. The SAT will also be offered on April 13, 2022 for all 11th graders, as well.

COUNSELING CENTER

Welcome back! Every year, students have questions for their counselors regarding their schedules. We recognize that this transition back to in-person learning will come with some uncertainty. We are working to make this transition as smooth as possible. In collaboration with the administrative team we have prioritized our scheduling work (please read the email sent to families [here](#)). August is a very busy time for counselors and we appreciate your patience.

If students need to make an adjustment to their schedule, we ask that they fill out this [form](#) (please don't send individual email requests right now). Please read the form closely and understand that not all course request changes will be made. We will reach out to you if we need more information.

We are excited to be serving you this year with a larger counseling team and we are anxious to get through this work and get to know you!

COLLEGE & CAREER CENTER

Welcome back to school students and families! We are looking forward to working with you this year. The College & Career Center is located on the south side of the building, Room 128, in between Counseling and the Gyms. We are open from 8 am to 5 pm every day.

Madeline Kokes and Mary Beth Snell operate the College & Career Center and work with our counselors and teachers to expose students to careers, give them opportunities to explore/understand pathways, and help them craft a plan for life after high school.

Ms. Kokes has been here for 10 years and focuses, as the Career Coordinator, on creating career-related learning experiences (CRLEs) for all students, ensuring that you meet your career-related graduation requirements, and working closely with our CTE teachers to help make their career learning curriculum come alive. In addition, she will strategize with the Freshman Inquiry teachers on ways to start the career exploration process for 9th graders.

Mary Beth joined us last March as the College Coordinator after spending over 20 years in higher education. She will work with the counselors to support students with all aspects of post-high school planning, with a special focus on supporting historically underrepresented and first-generation students. In addition to connecting students with trade schools, 2 and 4-year colleges, and other educational options, Mary Beth will meet with students and families to explore their interests and help create an individualized plan for their post-high school success.

We are hosting college visits starting next week and students will need to ask their teachers for permission to come to the College & Career Center to meet with college reps. All visits are visible in the "Events" tab on [MaiaLearning](#) and we will do our best to provide a weekly update of the in-person visits taking place throughout the day in September and October:

- Portland State University: Monday, 9/13/2021 from 10:15 AM - 11:00 AM in the South Forum
- Pacific Northwest College of Art: Wednesday, 9/15/2021 from 10:15 AM - 11:00 AM in the College & Career Center, Room 128
- Macalester College: Thursday, 9/16/2021 from 10:15 AM - 11:00 AM in the College & Career Center, Room 128
- University of Richmond: Thursday, 9/16/2021 from 12:45 PM - 1:30 PM in the College & Career Center, Room 128
- University of Utah: Friday, 9/17/2021 from 10:15 AM - 11:00 AM in the College & Career Center, Room 128

Lastly, the College & Career Center is a good place for students to do work, as well as find volunteer opportunities, paying jobs, resume/interview help, internships, etc! Please stop by and follow us on Instagram [@ghscollegeandcareercentral](#) to see what's up. And fill out our career interest survey so we can create opportunities that match your interests and curiosities: [2021-22 Career Interest Survey](#)

STUDENT ACTIVITIES

Student Clubs:

Each year Grant has over 50 student-run clubs, which are a great way to get engaged and meet peers who share common interests. All new and returning clubs will need to complete the annual Club Charter process prior to meeting and promoting groups. Information about how to complete this and the link for Charters will go live next week, so stay tuned! Information will be distributed through Trivory, Instagram (@usgranthigh), Email, TV monitors in the school, weekly bulletin, and flyers posted on campus. Information about clubs can also be found on the GHS website throughout the year - including a spreadsheet for current clubs once it's available.

Clubs can meet outdoors or virtually at this time, and as soon as we have guidance about how these can transition indoors in the future it will be shared with all student leaders and staff advisors.

Club Fair will happen in October (exact date TBA soon). The "deadline" for Club Charters only matters for those wishing to participate in Club Fair, but student clubs can be created at any point during the year. Club Fair this year will happen over the span of a few days during lunch to allow more exploration and recruiting of members.

CONTRIBUTING TO GRANT

Grant High School is able to offer enhanced learning opportunities for students because of your support and contributions. We are very thankful for your commitment to our programs and the success of our students. Families are not required to contribute.

To contribute: Please use [SchoolPay](#). This is a PPS online web tool that allows families to make contributions without having to make a special trip to the school or send a check. It also provides the convenience of paying by Visa, MasterCard or Discover Card online. There is no additional fee for using SchoolPay. If you do not see your student's class listed, please feel free to contribute

to the **Grant Classroom Support link** in SchoolPay. There is also a **General School Donation** link to support student learning and engagement.

Here is the [link](#) to a list of suggested contributions. If you have any questions regarding SchoolPay, please contact our Business Manager, Cynthia Roberts, at croberts@pps.net

If you have lost your card please contact Trimet's Lost and Found (503-962-7655) to see if they have the card. If they do not have the card contact the school to have another one printed for you. SAFEOREGON TIP LINE

SafeOregon was funded by the Oregon Legislature as part of a statewide effort to improve school safety. **It provides a secure means for anyone to anonymously report suspicious or imminently unsafe situations, such as threats of violence, fights, drugs and alcohol, weapons, bullying, harassment, intimidation or self-harm.** Anyone, from students to parents to community members, can access the system in a variety of ways, including:

- > The “Report unsafe behavior” button found on every PPS school’s website
- > The [SafeOregon website](https://www.safeoregon.com/) <https://www.safeoregon.com/>
- > A live call/text (844-472-3367)
- > An email to tip@safeoregon.com
- > The mobile app that can be downloaded from your Smart Phone via iTunes or Google Play

Trained staff are available 24 hours a day, 365 days a year, to respond. Please be sure to share this information with your friends and family. Remind your students: **If you see or hear something, say something – immediately.**

PPS COMMUNICATION TOOL

PPS has shifted family, student and staff communication to a new tool that gives schools the ability to send texts about emergencies, closures, delays and other important news. To receive text notifications, you must opt in to the service. **You opt in by texting YES to 68453.** Parents and students should confirm their cell numbers listed in the student information system. Staff should confirm their cell numbers are the “primary” number in the PeopleSoft system. For more information about texting, go to www.pps.net and click on the “Mobile First” button.
