PPS MASKING UPDATE

Masking is now optional for all staff and students across every PPS building. This is aligned with the new public health guidance released by the Center for Disease Control (CDC), the Oregon Health Authority (OHA), Oregon Department of Education (ODE) and Multnomah County Public Health.

The following information was shared with our students. If your student missed this presentation please see the slide presentation below.

“As you are aware, mask wearing becomes optional in PPS on Monday, March 14th. While we fully know that student opinions around this decision may vary, the level of respect students show one another cannot vary. In order to reinforce this point before Monday, we ask that you review [these 6 informational slides](#) with your students.

OHSU COVID-19 SCREENING TESTING

K-12 students can sign up to get free weekly COVID-19, PCR tests through their school during the 2021-2022 school year. The Oregon Health Authority (OHA) has contracted with OHSU to provide these tests to participating K-12 schools in Oregon. Grant High School will be participating in this important program. Parents can Opt their students into this program by completing the attached forms (Opt in form + OHSU Authorization form) and return to the main office at Grant HS.

Please note: This partnership program has multiple steps and processes that may take 2-3 weeks before we can distribute a test kit with labels to the student. After submitting paperwork to the Main Office, students should check in every Monday for status.

Our program rolled out on November 15th and continues on Mondays (when school is in session):

Mondays -

Students pick up test kits from the main office as they leave for the day.

Tuesdays -

Students complete their saliva sample, at home, before they come to school. Then, they bring to school, the labeled saliva sample tube, in the labeled biohazard bag, and drop it off at the main office on their way into school that morning.

For additional questions, you can reach out to OHSU, via their OHSU family support email: <https://www.ohsu.edu/health/k-12-covid-19-screening-program>

Expectation of Communication from OHSU: **OHSU is committed to sending results to ALL families within 48 hours.** Positive and inconclusive results will receive a phone call; negative results will generate an email. If families do not receive their email they should check ParentVUE to ensure the correct email address is provided, and let their school know that it has been updated. For questions, please contact our Business Manager, Ms. Roberts at croberts@pps.net.

Please click this [link](#), to learn more about this program.

Graduation is just around the corner for our Seniors!

The graduation of our Class of 2022 is rapidly approaching. This is an exciting time for everyone involved, and we want everything to go as smoothly as possible for you and your family. Here are a few important reminders to help ensure you stay on track to graduate, and be able to participate in the commencement ceremony.

1. Continue attending all of your classes and do the best you can until the last day of school. Don't let "senioritis" impact your success. Students who have NOT fulfilled ALL of their credits and other graduation requirements will not be able to participate in the graduation ceremony. This is a district policy, which we cannot alter.
2. Remember the **"60 Day Rule" (beginning April 2nd)**. Commencement disqualification: Requiring that seniors be disqualified from participation in commencement exercises and related activities if within 60 school days of the last senior school day (June 2, 2022), they are found to be in violation of district Alcohol or Drug policy or any violation resulting in a three or more days of suspension or more serious disciplinary action. (Reference 4.30.020-AD) Be aware that all school pranks resulting in vandalism or disruption of the school day could also be a violation of this rule, and may result in not being allowed to participate in prom and/or graduation.

Cap and Gown Pickup Day: April 15th during lunch

- If you are not able to pick up on this day check in at the Main Office
- If you still need to order a cap and gown please contact Jostens at 503-255-7120

Senior Fees/Fines will be shared beginning: May 9th

To graduate you must clear all charges to your school account; these could be as far back as middle school. The Grant Bookkeeper, Maggie Vera (mvera@pps.net), is with whom you will make your payment.

Library Overdue Books and/or Fines

Does your senior have overdue books and/or fines? Here's how to check. Your senior student needs to bring back materials or pay any fines owed in order to be cleared to receive their diploma. We understand there are books still being used in class; those will need to be returned on June 2nd & 3rd. Remind your student that when returning their library or textbooks, they should wait for a library staff member to scan in the barcode and confirm their items have been cleared from their record. If there are any questions, please contact Library staff through email: Teacher Librarian, Paige Battle (pbattle@pps.net) and/or Library Assistant, Jennifer Xochihua (jxochihu@pps.net).

Technology and School Issued Supplies

If you were issued a school Chromebook or hotspot, please return them when you are returning your textbooks/materials. Please remember to return the power cords as well.

Also if you were issued any classroom support materials that your teacher has told you need to be returned please return them at the same time you return your other items.

LIBRARY NEWS

Attention graduating seniors!

You will want to transfer your PPS district Google data if you want to take it with you. Google Takeout for Schools is a very simple and free tool that will copy the emails and Drive files from your school account over to either a personal Gmail account or another G Suite for Education account. See [Eric Curts' website](#) for more information and details (includes a how-to video).

You can start the process by going [here](#). FYI, students are blocked from going to <https://myaccount.google.com> which is what is referenced in the video directions from Eric Curts.

HS seniors have from six months until after they graduate to access their data.

YouTube: If you have created content on YouTube, you should download videos to ensure continued access.

LOOKING AHEAD TO SENIOR CLEARANCE:

With the start of the 60 day rule, seniors will want to start returning any library or text books that might be overdue from previous school years.
