

Madison SUN Tutoring Center

(September 25th - December 14th, 2017)

Monday -Thursday, 3:15-5:00pm

How do I sign up?

SUN Tutoring is drop-in, and open to all students. Complete a SUN Registration form and visit the Tutoring Center Monday - Thursday, 3:15-5pm. Meals are offered in the cafeteria Monday - Thursday, 3:15-3:30pm.

Where do I go?

Mondays, Wednesdays, & Thursdays: Madison Library
Tuesdays: Computer Lab 1 (Room C1, Second Floor)

What should I bring?

Always bring something to work on: an assignment, practice test, or worksheet from class. Pencils, markers, notecards, notebooks, select textbooks, and basic calculators are available as needed. Even if you don't work with a tutor, coming in with a plan will set you up for success.

How do I work with a tutor?

While you are not required to work with a tutor, everyone needs help at some point. Ask the Tutoring Coordinator which tutors are available. Introduce yourself, and share what you're working on. Ask questions. Stay engaged. When finished, complete a check-out sheet so tutors can share positive feedback with your teachers. Have fun!
