Whether you're experiencing theater for the first time, or you're ready to enhance your acting, singing, and dancing skills, there's something for everyone at NWCT!

First Stage Classes (Ages 4 – 6) combine character creation, storytelling, songs, theater games, and a healthy dose of silliness, introducing the magic of theater to our youngest students.

Skills Classes (Ages 8 – 14) are designed to help students hone specific theater skills like acting, musical theater, and improv.

Explore Classes (Ages 6 – 10) combine character creation, imaginative world-building, theater games, and adventures, immersing students into theater and creative play.

Playlabs (Ages 8 – 14) enhance student's theater skills by putting on a play or musical. Students audition, rehearse, and perform. Everyone gets a part!
