Fall SUN Session:

January 13th—March 5th.

We are excited for a new SUN Session to begin. Some **FAQ's**:

What is SUN School?

Sabin SUN, a program of Self Enhancement, Inc. (SEI) aims to improve the lives of children, their families and the community by extending the school day and developing schools as “neighborhood hubs” by bringing in resources from around the community.

Is SUN daycare?

No. While SUN does offer free extended day programming, it should not be looked at as free daycare. SUN does not run consistently throughout the school year. It only runs Monday-Thursday in 8-10 week increments. Enrollment is also not guaranteed as we often have more students sign-up then we have spots for and carry a wait-list. We are able to serve about 90-100 kids a term. SUN should, however, be looked at as a chance for academic enrichment and socialization.

Is there a cost to SUN?

No! All classes are free!

How does registration work?

Classes will be filled on a LOTTERY basis, with priority given to students with academic risk factors (Save a SUN spot students). This means that placement will be random, but ultimately left up to the discretion of SUN staff. Request forms should be turned in to the **SUN box in the main office**

What is Save a SUN Spot?

We ask teachers to help us identify students who would benefit the most from SUN after school classes. Many of these students need extra academic support. This system ensures all students receive an equitable opportunity to participate in SUN.

Where do SUN students go after school? Where is pick up?

When school is dismissed, SUN students should line up outside the gym. SUN staff will be there to supervise entry into the gym. Students will then be provided with a “supper” (hot meal). Students will have time to eat between 3:00-3:15pm before they are dismissed for classes. **Pick up is in the gym at 4:30pm.**

Where can I find information on future SUN school dates ?

The SUN section of the Sabin PPS website is a great tool for upcoming dates and info.

SUN Volunteer Opportunities

Got ideas? Knowledge? Time? Passion? Get involved with us!

Passionate about stuff? Teach a SUN class!

We are always interested in incorporating new classes to our offerings, especially if they help fill a community need. Got ideas and passion for a topic? Let us know!

We need your input!

We are looking for people to join our **Family Leadership Team**. The purpose of the group is to provide input & guide the development of Sabin's SUN programming. We want to know how to best create the conditions necessary for school and family partnerships. For more information contact Site Manager, Rachel Prust. rprust@pps.net

Love plants? We do too! Get involved!

Sabin is one of the lucky PPS schools with a Garden Educator! The Garden committee supports that position by assisting with garden maintenance, raising funds for garden improvements, and providing feedback on the Sabin garden program. Sign up to volunteer with the committee and learn about ways to get involved!

Important SUN Notes:

- To provide a quality program to as many students as possible, each student is limited to **three (3)** class offerings per SUN session.
- A 15-minute recess period is built into the SUN school schedule. Pick-up is in the gym at 4:30pm. Even if your child is outside playing when you arrive —please wait until all SUN students are called into the gym at 4:30pm to sign your student out. You must sign your student out with the Site Manager before leaving.
- Each student will be provided with a snack and milk before SUN classes begin. If your student has any dietary restrictions/allergies—please let Rachel know. She can be reached at: rprust@pps.net

Notes about late pick-up—PLEASE READ

We understand that emergencies arise. We also understand that traffic can be challenging or hectic, but we do expect all children to be picked up on time. When your child is picked up late, our staff is required to remain working and therefore, unable to attend to commitments of their own. We expect all children to be picked up at 4:30 or 5:15 if they are enrolled in a second class.

Chronic late pick-ups will result in your child/children having to take time off from SUN school. The third late pick-up (10 minutes or more) will result in two weeks off from SUN school. Please be considerate of our staff in following the program times, with the exception of an extreme emergency. If you will be late, please notify the SUN office as soon as possible at 503.916.6707.

SUN BEHAVIORAL EXPECTATIONS

The safety and well-being of all participants and staff is of utmost importance. To ensure safety in SUN Community Schools, we require that all participants be able to follow all three of the following criteria.
