STUDENT: I am aware of the opportunity to take up to eight classes each semester. I understand I need to take a minimum of six credit-bearing classes. I am requesting to have an unstructured period in my schedule. I understand it is not acceptable to roam the halls or hang out by my locker. I will arrive approximately ten minutes before my first scheduled class and I need to exit the building immediately following my last class of the day. The expectation is that I may use the library, if open and space available, to study, not just sit and talk. **If I am not following expectations, my schedule can be changed and a study hall assigned to me. By signing this,** I am aware that it may not be possible to accommodate the specific request because of limited class choice and offerings.

PARENT: **By signing this,** I give permission for my student to have an unstructured period in the school day. **I am aware of the opportunity to take eight classes, and I have reviewed the Approved Open Period Contract.** I understand the expectation is that my student is to leave the building. I am aware that my student is not in the immediate control of the school or district and will not hold the school or district responsible or liable for situations or incidents that may arise because of choices made by my student when not under direct supervision.
