Please read carefully and complete all areas of this form before you fill out your Course Requests on the back.

It is important to make informed decisions when choosing the courses you want to take next year. This form is meant to help you do that by asking you to review the credits towards graduation that you have accumulated, thereby identifying the courses you need to take and those you want to take on your journey towards graduation. Go through each step of this document *prior* to entering any course requests into Studentvue. Your counselors may refer to this form if questions arise involving your course requests.

Questions I have for my counselor about these are:

Step 5:

Before filling out the back of this form with your Course Selections for next year please read the following:

- You are required to take eight classes in your sophomore year
- Alternate Electives – remember to choose 4 or more alternates for your electives (You cannot complete your course requests without including four or more alternates.)
- Your StudentVue Course Request **MUST HAVE** 16 courses (8 courses per semester) in *Selected Course Requests* **AND** 8 courses (4 course per semester) in *Alternate Elective Requests*. Remember, each year long course requires two course requests.

Step 6:

Let's explore the Course Guide:

- 1) Watch at least 2 videos about classes you have not taken before. What videos did you watch and what did you learn about those classes that might interest you?

- 2) Are there any classes you plan on forecasting for that require an application? Yes No
 - a) If yes then go to this website for the application - <https://www.pps.net/Page/10174>

Step 7:

Fill out the back of this packet with your Course Selections along with your name and counselors.

I have reviewed the Course Guide and discussed my course selections with my parent or guardian. I understand my second semester grades could impact my final schedule. I have made my choices thoughtfully and I understand that I will NOT be allowed to make changes (other than level changes) in the fall. Course offerings and staffing decisions are based upon student forecasting.
