Gift Card Fundraiser

This new program offers the ability to purchase gift cards from a variety of retailers and West Sylvan Foundation benefits from a stated percentage from the total purchase. It is an EASY way for the school to benefit from your spending!

To place an order, review the list of retailers via the link below and complete requested fields and payment via SchoolPay. If more than four stores are requested, use the additional text box to list store names, denominations, and quantity of gift cards. Be sure denominations match what is available per store and total your order.

If you have questions, please contact Andrea Nitta at acnitta@gmail.com. Thank you for your support of this new program!

Example: Order gift cards for your grocery needs from Fred Meyer, New Seasons, Safeway or others. The grocery retailers give 4%. If you purchase \$400 at Fred Meyer, you receive \$400 in gift cards and the school receives \$16. If you shop at Nile or Columbia, those stores provide 12%. A purchased \$100 gift card of Columbia provides the school \$12.
