19:14:25 From Dee Reddy Parent Kellogg She/Her : i don't need to speak again, but wanted to ask a piggy back questions to harmony's comment - i thought that it was obvious looking at enrollment last year that at least one school in our cluster needed to be considered for closure

19:22:01 From Judy Brennan, she/her, PPS enrollment : We will model that option.

19:22:35 From Judy Brennan, she/her, PPS enrollment : And, folks, we have 10 minutes and have not talked about the MS options yet!

19:23:27 From Harmony Quiroz (she/her) Atkinson NHD parent : Sondra - I spent several years on the district budget committee, am happy to answer any staffing/funding questions

19:35:10 From Karina Ruiz | BRIC (she/her) to Judy Brennan, she/her, PPS enrollment(Direct Message) : wanna take fist to 5s on D series?

19:35:23 From Judy Brennan, she/her, PPS enrollment : D2--Chris pointed out that D-2 is the lowest SES for Lane, so that is a concern

19:35:58 From Chris Gustafson, she, Lane : Yes, D2 is our least preferred choice.

19:41:53 From Sondra Blair (she/her) Arleta Parent : Sorry - 2 for that. Typo
19:57:49 From Andy Jacob (he/him) - Bridger parent : one of my takeaways here is that we need to try to get a consensus on Spanish at Kellogg--should we treat that as a given? lots of other stuff flows from that
19:58:08 From Andy Jacob (he/him) - Bridger parent : based on what Claire shared in our group, I'd be really hesitant to move it, even though I like other ideas better in the abstract
19:58:40 From Maya Mori MTMS JDLI she/her : Andy - agree
19:59:54 From Sarah Kincaid : Agree, Andy. Maybe when groups are done sharing out that's something we could take a poll on?
20:00:08 From Andy Jacob (he/him) - Bridger parent : I think the whole group should also hear the context that our group heard, though
20:00:23 From Beth Cavanaugh, she/her, Hosford parent : I'd like to hear what Claire shared about Kellogg

20:00:25 From Karina Ruiz | BRIC (she/her) : we can definitely do that poll

20:01:09 From Andy Jacob (he/him) - Bridger parent : maybe also do a poll on the K-5 whole school thing, since we may have some consensus to at least model that?

20:03:26 From Dee Reddy Parent Kellogg She/Her : yes on poll for whole school dli - the concerns about segregation are offset by concerns by neighborhood programs about the dli focus so it would be good to try to find a place to stand on that that feels more firm

20:03:26 From Beth Cavanaugh, she/her, Hosford parent : I want to know what our options are for reducing enrollment at Kellogg, without negatively impacting neighborhood schools, if Spanish DLI is there.

20:05:18 From Beth Cavanaugh, she/her, Hosford parent : We definitely need to know the staffing parameters

20:05:59 From Leah Dickey : Claire I know this and missed it. Thanks for this reality

20:06:48 From Dee Reddy Parent Kellogg She/Her : why is the lents split feeder off the table?

20:07:07 From Andy Jacob (he/him) - Bridger parent : I mean, personally, based on that, I don't see how we can move the Spanish program at Kellogg and undo what they've built if we can't recreate it elsewhere. and I say that as someone who thinks if we could start from scratch, HP would be a better location for it

20:07:07 From Elizabeth Kennedy-Wong, she/her Mt. Tabor/Franklin : Why do we need to reduce enrollment in D2?

20:07:32 From Beth Cavanaugh, she/her, Hosford parent : Elizabeth if we model Lent as all-school DLI, it can no longer be a split feeder as in D2

20:08:14 From Beth Cavanaugh, she/her, Hosford parent : Agreed Marisa—why have we been given all of these options showing Spanish in other locations if it weren't feasible?

20:08:55 From Óscar DLI Bridger : Can Spanish DLI at Kellogg be a guardrail then.

20:09:09 From Andy Jacob (he/him) - Bridger parent : I share the frustration that this is a product of the extremely limited scope of phase 1

20:09:14 From Andy Jacob (he/him) - Bridger parent : but it's done, I guess

20:09:26 From Ellie Russell Marysville parent, she/her : Maybe it doesn't have to be done

20:09:40 From Elizabeth Kennedy-Wong, she/her Mt. Tabor/Franklin : @beth - does D2 do that?

20:10:09 From Óscar DLI Bridger : D2 has Kellogg at 79%

20:10:33 From Beth Cavanaugh, she/her, Hosford parent : D2 has Lent as a split feeder, so to keep Kellogg at the enrollment level modeled in D2, we would not be able to consider Lent as all-school DLI as many folks have asked to see.

20:10:59 From Andy Jacob (he/him) - Bridger parent : this is a real concern of mine, and I think we need to think creatively about ways to maximize the number of neighborhood kids in the vicinity of Kellogg who have access to the school

20:11:21 From Andy Jacob (he/him) - Bridger parent : if Atkinson goes to HP you have this situation where literally no neighborhood kids in south tabor go to the middle school in south tabor

20:11:38 From Óscar DLI Bridger : Areleta could be the new Full School Spanish DLI...

20:12:10 From Harmony Quiroz (she/her) Atkinson NHD parent : while the short term

issues with Kellogg may be difficult, shouldn't we be prioritizing the long term sustainability and quality of all of our schools?

20:12:37 From Andy Jacob (he/him) - Bridger parent : @harmony say more about what you're getting at?

20:12:44 From Jed Roberts, FLO Analytics (he/him) : Looking at D1, I think that could be the way to enroll Harrison Park with a whole school option at Lent.

20:13:15 From Andy Jacob (he/him) - Bridger parent : I'd love to hear from some 3s if they're comfortable sharing

20:13:57 From Marisa Bryman, HP parent, she/her : Could you clarify what you mean out loud please Jed?

20:16:58 From Josh Cody : Could 100% of the staff move with the program?

20:19:28 From Óscar DLI Bridger : With it feeding to Kellogg right?

20:20:26 From Dee Reddy Parent Kellogg She/Her : that's really the biggest stumbling block for me for whole school model - it makes so much sense in many ways, but how do you decide which school community loses their location? it's hard to say we're prioritizing neighborhood programs in that scenario

20:21:02 From Dee Reddy Parent Kellogg She/Her : @Josh, it was explained to me that the district, due to teacher contracts, etc. cannot force teachers to move to any location - it is based on seniority

20:22:53 From Dee Reddy Parent Kellogg She/Her : it's too bad we don't have a whole empty school or a new school for that model!

20:23:25 From Josh Cody : Right? To say "trade buildings" would be too easy 😊

20:25:48 From Beth Cavanaugh, she/her, Hosford parent : Can we even consider options that don't have Spanish at Kellogg?

20:26:08 From Josh Cody : agreed

20:27:04 From Chris Gustafson, she, Lane : Vote where?

20:27:09 From Dee Reddy Parent Kellogg She/Her : can you put the poll back up? i lost it when i was looking at the proposals

20:27:28 From Sondra Blair (she/her) Arleta Parent : Doesn't matter if you minimize

20:27:30 From Sondra Blair (she/her) Arleta Parent : Poll is gone

20:27:33 From Dee Reddy Parent Kellogg She/Her : you have to click on poll to get it back

20:27:34 From Marne Maykowskyj : Click on your Zoom window to activate it

20:27:39 From Dee Reddy Parent Kellogg She/Her : the button on the bottom

20:27:59 From Sondra Blair (she/her) Arleta Parent : The poll is under the Polls section.

Who knew?

20:28:29 From Josh Cody : there's not really a lot of options

20:30:03 From Dee Reddy Parent Kellogg She/Her : ha! didn't think i could learn any more new things about zoom

20:30:59 From Ellie Russell Marysville parent, she/her : Thank you Chris

20:32:06 From Josh Cody : thank you Andy

20:43:25 From Óscar DLI Bridger : Thank you Dee!
