

## Support for Students and Families

Like all of us, students and families are experiencing uncertainty, stress and anxiety related to the November election and its fallout, the pandemic and economic fallout, the racial uprising, and climate change. We know our students who are Black, indigenous and people of color, and their families, experience this trauma differently and more intensely.

To offer support, we've gathered internal and external supports, listed by school, in the PPS [PPS Menu of Student and Family Supports](#). This catalog shows what we are currently offering and establishes new ways that our PPS students and families can access supports during this season of comprehensive distance learning.
