19:10:25 From Martha Almendarez Langland : brb

19:11:08 From Martha Almendarez Langland : That is weird for atkinson knowing that atkinson shares a park with Franklin and is a few blocks away from Kellogg.

19:12:57 From Sarah Kincaid : So depending on location, either Marysville or Kelly, most likely?

19:13:10 From Andy Jacob (he/him) - Bridger parent : I think in A or B where this happened it was marysville

19:16:38 From Martha Almendarez Langland :

19:17:01 From Maya Mori MTMS JDLI she/her : Alissa, those were really good points. Also, traveling from the Lent neighborhood to Marysville is crossing 82nd and possibly the freeway.

19:17:21 From Andy Jacob (he/him) - Bridger parent : I think you're asking a policy question though, right beth?

19:18:27 From Marne Maykowskyj to Jenny Axelrod | FLO(Direct Message) : would you feel comfortable summing up this discussion to the big group? I don't understand a lot of what they are talking about.

19:20:43 From Andy Jacob (he/him) - Bridger parent : I think she was proposing lent as all SDLI

19:20:46 From Andy Jacob (he/him) - Bridger parent : or that's my understanding

19:20:50 From Andy Jacob (he/him) - Bridger parent : that's what I'm proposing :)

19:21:19 From Jenny Axelrod | FLO : Thank you all.

19:21:49 From Andy Jacob (he/him) - Bridger parent : how much time do we have for this one marne? I don't want to totally skip middle school

19:23:10 From Alissa McMaken Roberts (she/her), Woodstock neighborhood parent : 3-4

19:23:11 From Martha Almendarez Langland : 5

19:23:12 From Maya Mori MTMS JDLI she/her : 5

19:23:16 From Andy Jacob (he/him) - Bridger parent : 4

19:23:17 From Cathy Murray she/her Marysville : 3

19:23:18 From Joe Mitacek - Hosford MS Interim Principal : 4

19:23:18 From Sarah Kincaid : 3-4

19:23:24 From Micah Chu - Sellwood Parent/Lewis Rep : 5

19:23:33 From Deanne Froehlich : 4

19:27:46 From Andy Jacob (he/him) - Bridger parent : middle school

19:31:59 From Andy Jacob (he/him) - Bridger parent : we're not gonna get that recommendation from them

19:37:17 From Andy Jacob (he/him) - Bridger parent : I personally like D3 even though I am surprised to hear myself say that (mandarin at Kellogg, Spanish at HP)

19:43:36 From Alissa McMaken Roberts (she/her), Woodstock neighborhood parent : This is very helpful!

19:43:53 From Beth Brett (she/her); Creston parent : Yes, that is very helpful. thank you.

19:44:03 From Sarah Kincaid : I recognize this is wholly unhelpful, but I'm finding it very hard to form any firm opinions because there are almost equal pluses and minuses across the board with the Ds. I'd love to see Spanish stay at Kellogg for the reasons Claire is currently saying.

19:44:12 From Maya Mori MTMS JDLI she/her : That is helpful and in keeping with the Bridger PTA letter.

19:44:34 From Maya Mori MTMS JDLI she/her : Sarah - agreed

19:57:51 From Andy Jacob (he/him) - Bridger parent : one of my takeaways here is that we need to try to get a consensus on Spanish at Kellogg--should we treat that as a given? lots of other stuff flows from that

19:58:10 From Andy Jacob (he/him) - Bridger parent : based on what Claire shared in our group, I'd be really hesitant to move it, even though I like other ideas better in the abstract

19:58:42 From Maya Mori MTMS JDLI she/her : Andy - agree

19:59:56 From Sarah Kincaid : Agree, Andy. Maybe when groups are done sharing out that's something we could take a poll on?

20:00:10 From Andy Jacob (he/him) - Bridger parent : I think the whole group should also hear the context that our group heard, though

20:00:24 From Beth Cavanaugh, she/her, Hosford parent : I'd like to hear what Claire shared about Kellogg

20:00:27 From Karina Ruiz | BRIC (she/her) : we can definitely do that poll

20:01:11 From Andy Jacob (he/him) - Bridger parent : maybe also do a poll on the K-5 whole school thing, since we may have some consensus to at least model that?

20:03:27 From Dee Reddy Parent Kellogg She/Her : yes on poll for whole school dli - the concerns about segregation are offset by concerns by neighborhood programs about the dli focus so it would be good to try to find a place to stand on that that feels more firm

20:03:28 From Beth Cavanaugh, she/her, Hosford parent : I want to know what our options are for reducing enrollment at Kellogg, without negatively impacting neighborhood schools, if Spanish DLI is there.

20:05:20 From Beth Cavanaugh, she/her, Hosford parent : We definitely need to know the staffing parameters

20:06:01 From Leah Dickey : Claire I know this and missed it. Thanks for this reality

20:06:50 From Dee Reddy Parent Kellogg She/Her : why is the lents split feeder off the table?

20:07:09 From Andy Jacob (he/him) - Bridger parent : I mean, personally, based on that, I don't see how we can move the Spanish program at Kellogg and undo what they've built if we can't recreate it elsewhere. and I say that as someone who thinks if we could start from scratch, HP would be a better location for it

20:07:09 From Elizabeth Kennedy-Wong, she/her Mt. Tabor/Franklin : Why do we need to reduce enrollment in D2?

20:07:34 From Beth Cavanaugh, she/her, Hosford parent : Elizabeth if we model Lent as

all-school DLI, it can no longer be a split feeder as in D2

20:08:16 From Beth Cavanaugh, she/her, Hosford parent : Agreed Marisa—why have we been given all of these options showing Spanish in other locations if it weren't feasible?

20:08:57 From Óscar DLI Bridger : Can Spanish DLI at Kellogg be a guardrail then.

20:09:11 From Andy Jacob (he/him) - Bridger parent : I share the frustration that this is a product of the extremely limited scope of phase 1

20:09:16 From Andy Jacob (he/him) - Bridger parent : but it's done, I guess

20:09:28 From Ellie Russell Marysville parent, she/her : Maybe it doesn't have to be done

20:09:42 From Elizabeth Kennedy-Wong, she/her Mt. Tabor/Franklin : @beth - does D2 do that?

20:10:11 From Óscar DLI Bridger : D2 has Kellogg at 79%

20:10:34 From Beth Cavanaugh, she/her, Hosford parent : D2 has Lent as a split feeder, so to keep Kellogg at the enrollment level modeled in D2, we would not be able to consider Lent as all-school DLI as many folks have asked to see.

20:11:01 From Andy Jacob (he/him) - Bridger parent : this is a real concern of mine, and I think we need to think creatively about ways to maximize the number of neighborhood kids in the vicinity of Kellogg who have access to the school

20:11:23 From Andy Jacob (he/him) - Bridger parent : if Atkinson goes to HP you have this situation where literally no neighborhood kids in south tabor go to the middle school in south tabor

20:11:40 From Óscar DLI Bridger : Areleta could be the new Full School Spanish DLI...

20:12:12 From Harmony Quiroz (she/her) Atkinson NHD parent : while the short term issues with Kellogg may be difficult, shouldn't we be prioritizing the long term sustainability and quality of all of our schools?

20:12:39 From Andy Jacob (he/him) - Bridger parent : @harmony say more about what you're getting at?

20:12:46 From Jed Roberts, FLO Analytics (he/him) : Looking at D1, I think that could be the way to enroll Harrison Park with a whole school option at Lent.

20:13:17 From Andy Jacob (he/him) - Bridger parent : I'd love to hear from some 3s if they're comfortable sharing

20:13:59 From Marisa Bryman, HP parent, she/her : Could you clarify what you mean out loud please Jed?

20:17:00 From Josh Cody : Could 100% of the staff move with the program?

20:19:30 From Óscar DLI Bridger : With it feeding to Kellogg right?

20:20:28 From Dee Reddy Parent Kellogg She/Her : that's really the biggest stumbling block for me for whole school model - it makes so much sense in many ways, but how do you decide which school community loses their location? it's hard to say we're prioritizing neighborhood programs in that scenario

20:21:03 From Dee Reddy Parent Kellogg She/Her : @Josh, it was explained to me that the district, due to teacher contracts, etc. cannot force teachers to move to any location - it is based on seniority

20:22:55 From Dee Reddy Parent Kellogg She/Her : it's too bad we don't have a whole empty school or a new school for that model!

20:23:27 From Josh Cody : Right? To say “trade buildings” would be too easy 😊

20:25:49 From Beth Cavanaugh, she/her, Hosford parent : Can we even consider options that don't have Spanish at Kellogg?

20:26:10 From Josh Cody : agreed

20:27:06 From Chris Gustafson, she, Lane : Vote where?

20:27:10 From Dee Reddy Parent Kellogg She/Her : can you put the poll back up? i lost it when i was looking at the proposals

20:27:30 From Sondra Blair (she/her) Arleta Parent : Doesn't matter if you minimize

20:27:32 From Sondra Blair (she/her) Arleta Parent : Poll is gone

20:27:35 From Dee Reddy Parent Kellogg She/Her : you have to click on poll to get it back

20:27:36 From Marne Maykowskyj : Click on your Zoom window to activate it

20:27:40 From Dee Reddy Parent Kellogg She/Her : the button on the bottom

20:28:01 From Sondra Blair (she/her) Arleta Parent : The poll is under the Polls section. Who knew?

20:28:31 From Josh Cody : there's not really a lot of options

20:30:04 From Dee Reddy Parent Kellogg She/Her : ha! didn't think i could learn any more new things about zoom

20:31:01 From Ellie Russell Marysville parent, she/her : Thank you Chris

20:32:07 From Josh Cody : thank you Andy

20:43:27 From Óscar DLI Bridger : Thank you Dee!

20:43:29 From Elizabeth Kennedy-Wong, she/her Mt. Tabor/Franklin : Thanks Dee!

20:43:39 From Maya Mori MTMS JDLI she/her : Thank you Dee!

20:48:06 From Martha Almendarez Langland : Is Judy breaking up for everyone else or just me?

20:48:14 From Sondra Blair (she/her) Arleta Parent : For me as well
