

2018-19 Bell Schedule

School days alternate between A days (periods 1-4) and B days (periods 5-8). Tutor Times are generally held twice a week on Thursday and on either Wednesday or Friday, following period 1 or 5. Some Tutor Times will be replaced by assemblies. High Schools do not follow the PPS late arrival schedule. Consult the Wilson website for specific A and B designations and week-to-week schedule for Tutor Time.

*Tutor Time provides students an opportunity to get additional help from their teachers, make up exams, or collaborate in peer study groups outside of regular class time. All students are required to remain on campus and utilize Tutor Time to see teachers or to work independently on school assignments.
