

Wilson High School
2015-2016 Junior Forecast Sheet

Class of 2017

Forecasting provides you with the opportunity to identify the *core* courses required for you to graduate as well as *elective* courses available to you that can both enhance and support your school experience. PPS requires 24 credits to graduate. A full schedule of eight classes provides you with the opportunity to take maximum advantage of the educational opportunities available to you. You should carefully review the list of courses available; consult with your parents and counselor as needed, and select eight courses along with alternate course choices that meet your educational goals.

Courses with an asterisk (*) have prerequisites.

Courses with a pound sign (#) need a teacher to initial.

I have reviewed the Course Guide and discussed my course selections with my parent or guardian. I understand my second semester grades this school year could impact my final schedule for next year. I have made my choices thoughtfully and I understand that I will not be allowed to

make changes (other than level changes) in the Fall. Course offerings and staffing decisions are based upon student forecasting.

Parent Communication/Signature Required

By signing below I give my permission for my student to have one or more unstructured periods in the school day. I am aware of the opportunity to take eight classes and my student is on track for graduation. I am aware that my student is not in the immediate control of the school or district and will not hold the school or district responsible or liable for situations or incidents that may arise because of choices made by my student when not under direct supervision. I am aware that limited class offerings may impact the time requested.
