Student Instructions to Access Lab-Aids Online Curriculum

Your school is now using our new platform for you to access your curriculum online. Follow these instructions to redeem the following access code and create an account.

Access Code: username:_____

Generic-access-code

PPS—students—grade 7   password:_____

To Create Your Account

1. Go to the following url:
   http://portals.lab-aids.com/register.htm
2. Enter you first & last name, the access code above, your school email address, and a password of your choice. Passwords should be between 6-20 characters long. Click "Register" when done.
3. Once successful, you will be brought to your new account and can access your online science student books.
4. Be sure to write down your username and password above in the space provided. Do not share your login credentials with others, and keep these instructions in a safe space.

To Login

1. Go to the following url: **portals.lab-aids.com**
2. Use your username and password (that you wrote down above) to login.

Alternatively, you can go to Lab-Aids' website (**lab-aids.com**), and click on "Book Login" on the very top of the page. You can then click on "New Login" to access this same page.
