

The Hunt is On

When instructed, find a person in your class who knows someone who has had one of the diseases shown in the boxes below. Have that person write his or her initials in the box with the name of the disease. Initial only one box on any person's page, including your own.

Measles	Cystic fibrosis	Polio	Cold	Influenza (flu)
Mumps	Chickenpox	Hepatitis	Rabies	AIDS/HIV
Tetanus	Cholera	Tuberculosis (TB)	Mono-nucleosis ("mono")	Alzheimer's disease
Strep throat	Malaria	Ringworm	Diarrhea	Pneumonia
Heart disease	Diabetes	Cancer	Asthma	Sickle cell anemia
