

***ODYSSEY PROGRAM
GRANDPARENTS &
SPECIAL FRIENDS DAY***

Because special people deserve a special day!

February 14th

1:00 - 2:15 pm

This is a day for the kids to share with Grandparents or other special seniors in their lives. Some children may not have a special senior living nearby. These students will be paired up with their classmates' special guests so all students can enjoy our multi-generational celebration.
