

Odyssey Program 6-7-8 Supply List for 2017-18

Gift Cards - Please consider purchasing a gift card for your cluster. This can be done in addition to buying school supplies or instead of buying Team Supplies. Gift cards will be used to buy supplies throughout the year and for buying bigger items, like electric pencil sharpeners. **Please give gift cards directly to your cluster teachers. iTunes, Amazon, Office Depot, Target, Staples are all good. And Starbucks (just kidding).**

INDIVIDUAL SUPPLIES

Please label these individual items - Students should bring them their first day. We will help them set up their binder system.

- **Personal Calculator**-Every 678 student will need a personal scientific calculator for math class. Examples: Texas Instruments Ti-30 or Sharp EL 531. We will supply graphing calculators for students in Compacted Year 2.
- **Personal Binder** -Trapper Keeper style with cloth cover and a Velcro or zipper closure) Used to keep math supplies and graph comp book with math work, literature work and history comp books organized. Will go home with students each night and return the next day.
- **Personal Pencil Pouch**-Used to keep math and lit supplies.
- **Personal Ear Buds** stored in a protective case to **keep at school** for daily use. **Ear bud sharing is gross! Please, no expensive sound blocking headphones!!**
- **1" Three Ring Binder for Literature class. We stay at school.**
- **Personal Computer or Tablet if possible (* see note on back page)**

We supply Personal Comp Books for History, Science and Math.

* **Electronic Devices:** We have moved to electronic delivery as a primary way of sharing assignments and as a secondary method of delivering text materials. We also require students to do many assignments at home and at school on Google Docs. **We encourage families who are able to provide their own electronic device for use at school to do so.** Our students use all types of devices including Mac OS, iOS, Android, Windows, Chrome and others. Our students have been using their own technology for years at School with few problems. **For students who cannot or do not want their child to bring an electronic device, one will be provided for him / her at school.** Families will be responsible to provide computer access at home.
