

The confectioner's guild has been busy preparing a wide selection of truffles and marzipan treats. These have been made with the finest ingredients; true Belgian chocolate, heavy cream, butter, honey and diverse natural flavorings. We will be selling mixed boxes at the fair, but for those who would like a customized box, we are taking pre-orders. If you are not attending the fair, you can pick up your boxes at the office. Please indicate the box size and the flavors you choose. For more than two boxes, use another form or list your box size and flavors on the back. Please attach cash or a check made out to Odyssey PTA or cash. The deadline for orders is Thursday, March 15.
