

ESSENTIAL SUPPLY DRIVE FOR COMMUNITY MEMBERS

Did you know food stamps don't cover many daily necessities like toilet paper, Kleenex, shampoo, and feminine products? Positive Charge, a volunteer group based in SW Portland, is collecting these supplies for the low-income residents of Stephens Creek Crossing and the at-risk women at Raphael House. Please consider donating (new, packaged) supplies including paper products (toilet paper, Kleenex, paper towels), personal hygiene items (feminine hygiene products, baby wipes, lotion, razors) and cleaning supplies (laundry detergent, sponges, dish soap).

You can order online via our Amazon wish list at:

<http://a.co/2CYkblQ> and have the items shipped directly to SCC (we will share quantities with Raphael House). Feel free to select additional items not on the list. Or drop them off in the Odyssey main hallway or SCC's lobby at 6719 SW 26th Ave, Portland, OR 97219.

Please donate before Sept. 30, and thank you in advance for your generosity!
