

Buy your gift card for school supplies through the scrip program!

If you are considering buying a gift card in lieu of purchasing the team supplies portion of the school supplies, or making an extra donation to the classroom teacher for other supplies, let me do the work for you! Fill out the form below, write a check to Odyssey PTA and put it in the scrip box in the school office between August 9th and August 30th and your gift cards will be delivered directly to the teachers the following week. A total of \$50 for each child is suggested. More than one kid? Either fill out two forms or just make it clear on a single form. Either way a single check is just fine. And the school gets the bonus rebate!
