RESOLUTION No. 6059

Enrollment and Program Balancing Process Scope of Work

RECITALS

- A. In June of 2019, the Portland Public Schools (PPS) Board of Education adopted an ambitious vision, *PPS reimagined*, co-constructed by a broad coalition of students, staff and community stakeholders, that provides an aspirational North Star and direction to guide the transformation of our school system.
- B. While PPS engages in multi-pronged efforts to improve student outcomes through the implementation of academic strategies and social-emotional support for our students, the district also has several system issues related to the use of its physical facilities that impact student success. To address these issues, the Board of Education and the Superintendent will launch an enrollment and program balancing process.
- C. The Enrollment and Program Balancing Scope of Work provides overarching guidance for the project, including district-wide rationale, core values, outcome goals, and approach and sequence of work.
- D. The PPS Board of Directors reviewed and suggested revisions to scope of work drafts during work sessions on February 4 and February 18.

RESOLUTION

The Board of Directors accepts the Enrollment and Program Balancing Process Scope of Work, and directs the Superintendent to begin the first phase of the process.
