## LIGHT IT UP RED

**FOR DYSLEXIA  
AWARENESS MONTH**

Join us for a fun filled, family friendly celebration at Oaks Park Pavilion. The roller coaster will be illuminated RED to celebrate the strengths of our children with dyslexia. The evening will include: kid's activities, a resource fair and silent auction for parents, and our guest of honor and inspirational speaker, Todd "Hammer" Semmes. Todd is a man of many talents. He is a certified EMT, and was also a mountain guide and professional sailor. Todd now works in the movie business as a stunt rigger, production manager and assistant director. He has worked on many movies including: "Spider-Man 1-3", "Mission Impossible 1-3", "Live Free or Die Hard" and "Superman Returns." Although we will be taking a group photo at the

illuminated roller coaster, please note there will be **no RIDES!**)
