

We want to hear from you—yes, YOU!

Let's dream together

Join us at Madison HS for Portland Public Schools' Visioning initiative **and be a big part of this critical work.** We will have a variety of ways for you to give us your ideas, perspectives and points of view about what YOU think the future of education in Portland should look like—you can spend 30 minutes or the entire afternoon with us.

If you are a PPS student, family member, educator, administrator or community member, please join us. **Your voice, your insight, your dreams** are critical to making our Vision one that serves all students and all schools in all the best ways.

This will be a fun, interactive event. Refreshments, snacks, child care and interpreters will be provided.

Saturday, January 26th
