## Announcing the New Interim Principal of Scott Elementary School, Tiana Ahmann

October 2023

Dear Scott families/colleagues:

I am pleased to announce that Tiana Ahmann is transitioning from her role as assistant principal of Scott Elementary to that of interim principal.

Tiana is well known to the Scott community, having served as assistant principal for the past two years and as fourth and fifth grade teacher since 2018. She has also been a key member of the school climate and equity teams.

Tiana has spent the bulk of her career in the classroom. Prior to coming to Scott, she taught students in second through fifth grades at Rigler and Beaver Acres elementary schools, where she spearheaded innovative initiatives in social studies curriculum development, technology integration, and writing instruction.

Tiana is a firm believer in and supporter of teacher professional development. In 2009, she was named the Teacher Leader on the Elementary Proficiency Project. She also served as Critical Friends Group trainer and facilitator and attended the Nike School Innovation Fund Teacher Leadership Academy.

Principal Ahmann earned her B.S. in educational foundations from the University of Oregon, where she also attended the graduate elementary teacher program, and her principal licensure from Portland State University.

Please join me in congratulating Tiana Ahmann on being named interim principal of Scott Elementary School.

Cordially,

Dr. Jon Franco,  
Chief of Schools
