

Tools for School

- Logging in to Seesaw, Canvas & Google Meet
- Communicating Using Remind
- Requesting a Device or Hotspot

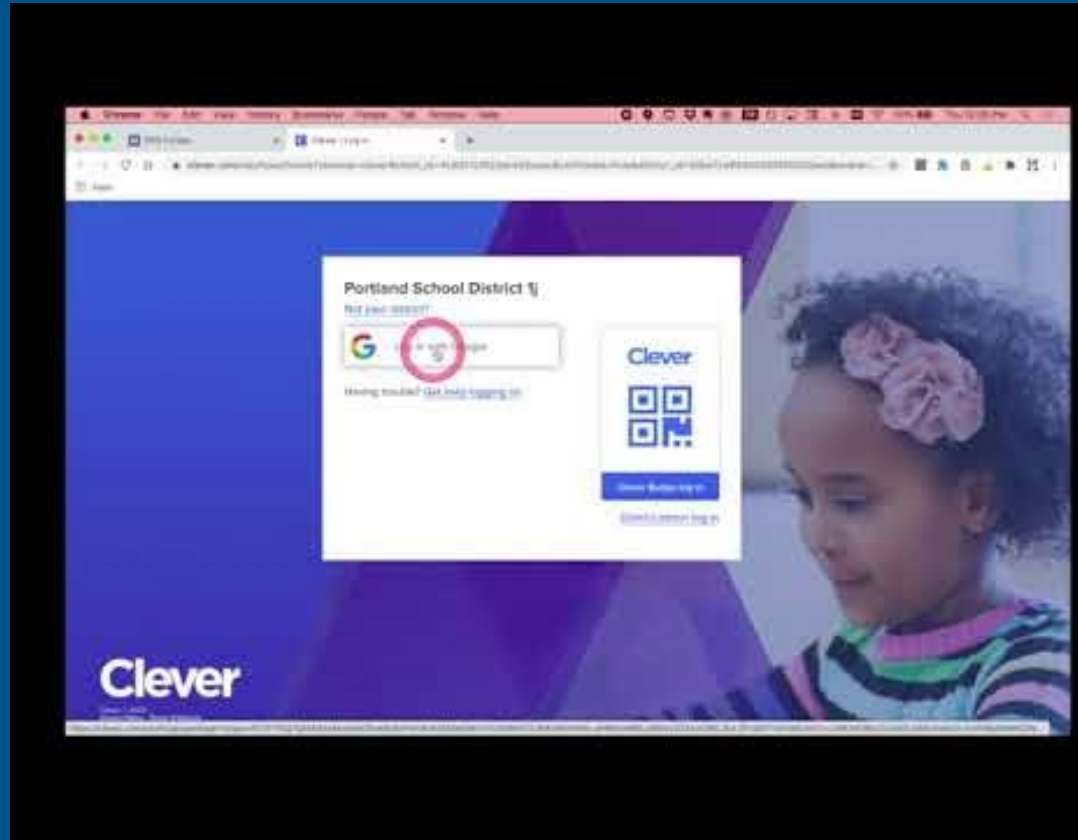

Hello Families

Here you will find short videos to help your child log in to the three district learning platforms: Seesaw, Canvas, or Google Meet. You can also find directions for the communication tool Remind and how to request Chromebooks and wifi hotspots.

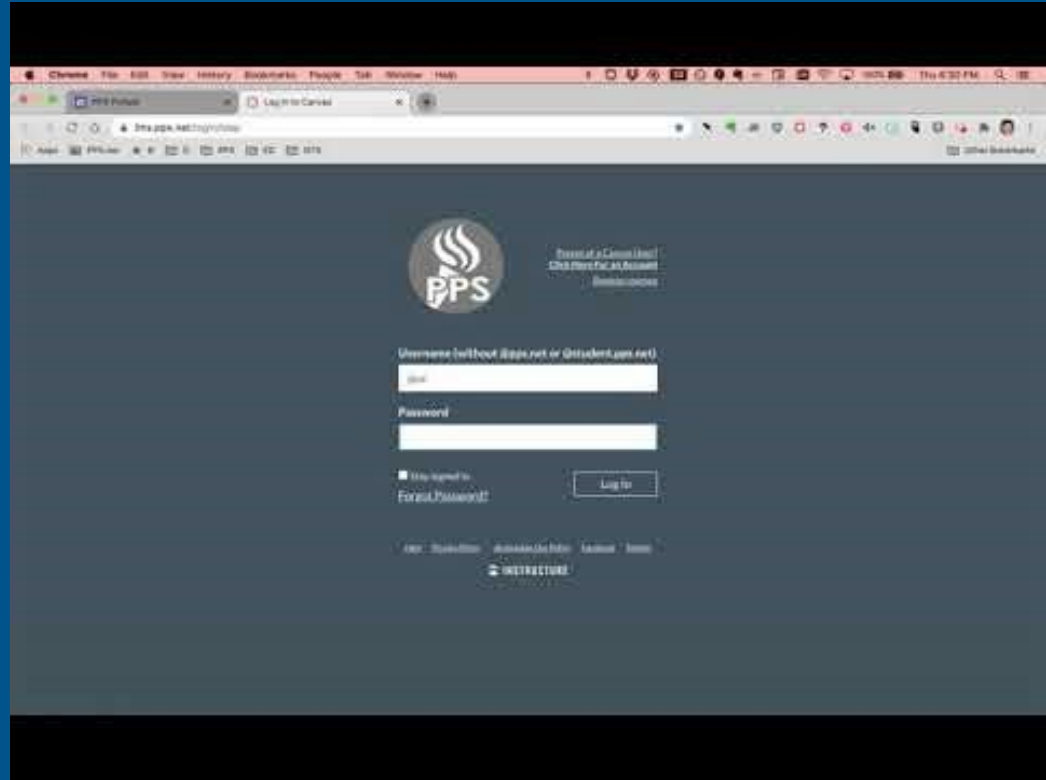

Seesaw

1. Go to the student portal at pps.net/student (district Chromebooks go to this page at startup).
2. Click on Seesaw.
3. Login using a Clever badge or your @student.pps.net username and password.
4. Find Seesaw and click on it. You may need to scroll down.
5. Click the following links for a more [detailed video](#) and [script](#).

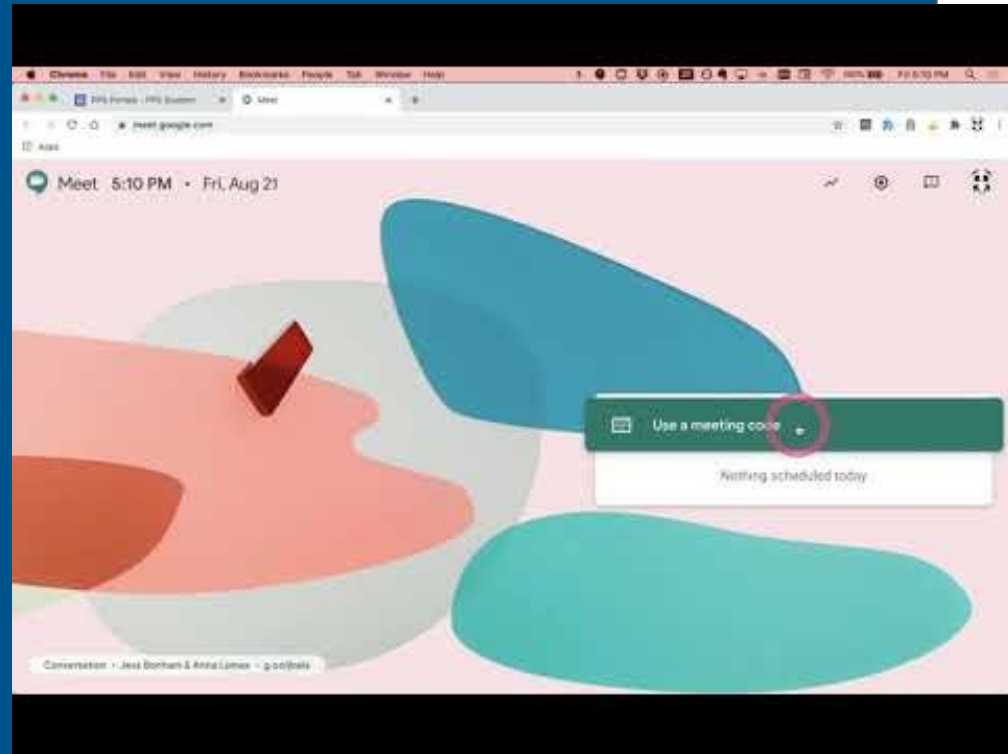

Canvas

1. Go to the student portal at pps.net/student (district Chromebooks go to this page at startup).
2. Click on Canvas.
3. Login using your username (the part before the @student.pps.net) and password.
4. Click the following link for more detailed [instructions](#).

Google Meet

1. Go to the student portal at pps.net/student (district Chromebooks go to this page at startup).
2. Click on Google Meet.
3. Click on the Use a meeting code green button.
4. Enter the nickname code given to you by your teacher and click Continue.
5. Then click on Join now and you're in the Meet!
6. Click the following links for a more [detailed video](#) and [instructions](#).

Communication Tool: Remind

Requesting Technology and Hotspots

Any families and students that need a Chromebook and/or hotspot for internet access should contact their school principal to make arrangements for checkout and pick up.

[See more information here.](#)
