Dear Families,

We are really looking forward to Parent Teacher Conferences next week! This is a very important opportunity to team with your student's teacher. We strive to build partnerships focused on using your student's strengths to build success. While you are here, take a minute to check out the Lost and Found. There are quite a few coats, missing their kids.

The Book Fair is coming and will be open during conferences, as well as before and after school the following week. This is a great opportunity to get books for your students, while supporting our school. A percentage of total sales goes back to the school library, to renew our collection. Teachers are also filling out wish lists, so this is also a chance to support your teachers, by purchasing a book for the classroom.

Thank you,

Amber Gerber

TAG News

SBAC postcards were mailed today to parents of children who scored 95% or higher on last Spring's SBAC. In order not to confuse parents you will receive a separate postcard for SBAC Reading and/ or SBAC Math. Some families may actually receive 2 postcards if your child met that standard in both. Remember if they fall into the range of potentially gifted (95%-96%) or gifted (97%-99%) you must still fill out a nomination form and return it to Ms. Michels to have your child in the Talented and Gifted program. Forms can be found on the TAG board.
