

Distance Learning Schedule
Ms. Michel's 3rd Grade Class
September 2020

Below you will find a copy of your student's instructional schedule, which begins Monday, September 14th. We know this can seem overwhelming, so here is a breakdown:

- Activities marked "S" are synchronous, happening in real time with the teacher. To join these meetings, go to Google Meets, and enter the code listed on the schedule. Synchronous activities include whole class meetings, whole class instruction and small group instruction. I have placed a Google Meeting link, and the meeting code, for all whole group Synchronous lessons, just click on the link and enter the code.
- Activities marked "A" are asynchronous, and can take place at the time scheduled, or whenever works for your family. Asynchronous activities will be completing assignments posted in SeeSaw. These assignments will include a combination of paper and pencil activities, computer based learning, and hands on exploration.
- During "Applied Learning" periods, students will be working on asynchronous assignments.

If you have questions, you can email Ms. Michels at rmichels@pps.net, or drop in to her office hours at 3:00.

Monday	Tuesday	Wednesday	Thursday	Friday
