- Monday & Tuesday, November 19<sup>th</sup> & 20<sup>th</sup>: Conferences-No School
- Wednesday-Friday, November 21<sup>st</sup>-23<sup>rd</sup>: Holiday-No School

### Notes/Reminders

\* We have **one week** left for our 5th grade fundraiser- the wreath sale. This fundraiser helps our 5th graders tremendously with field trips like Biztown and classroom materials like technology and updated and engaging curriculum. Our class is at the halfway mark for our goal of 80 units sold. Please encourage your child to make an effort for this important fundraiser!

\* This is the last week for the Children's Book Harvest! Please donate any gently used books your children have outgrown. Our school has already reached our goal of collecting 1,500 books!

\* Tuesday we will be going to the Oregon Food Bank to volunteer. Students must wear flat, closed toed shoes and are encouraged to wear layers. It can be chilly in the warehouse but warms up as we begin working! All parents who are chaperoning should dress accordingly as well. We will be taking a school bus and leaving as soon as safety patrollers are done with their morning duty (8:50ish) So PLEASE make sure students (and chaperones) are to school on time.

\* The rain and soggy weather is here! If your child likes to play on the field, they need to bring in a pair of slippers/slip on shoes they can change into after recess. This helps us to reduce the amount of mud tracked into our classroom.

Subject Area	Learning Targets for the Week
Math	Multi-digit multiplication & division
Reading	Exploring Themes
Writing	Personal Narratives
Social Studies	Native Americans and Their Land
Science	Space Google Slide Project
