Notes/Reminders

- Welcome back to another year at Duniway! This weekly calendar is a communication piece that your child will bring home in their homework folder at the beginning of each week. The calendar details homework assignments, important dates coming up, notes and reminders from me, as well as the units we are currently studying in the classroom.
- I ask that you sign the bottom to verify you have seen the calendar each week-I need to know you're in the loop! Also, please see the reverse side for the weekly reading log instructions..
- Each week we will have a Crossword Puzzle for homework (usually on Tuesday). This weekly assignment requires close reading and comprehension practice. Students will need to read the content a minimum of two times. This will count as reading homework. Students do not need to do their reading log homework in addition. However, students are always welcome to do additional reading if they choose to.
- Every Tuesday and Thursday will have a 2-minute "quickfacts" test to work on multiplication fluency. Please support your child at home with practicing their multiplication facts 2-12 so they can work towards the end of the year benchmark goal of completing 38-40 mixed facts in 2 minutes.

Subject Area	Learning Targets for the Week
Math	Developing Mathematical Mindsets
Reading	Building the Habits of great Readers: Stamina & Routines
Writing	Building the Habits of great Writers: Stamina & Routines
Social Studies	Southwest Region States and Capitals, Geography
Science	The Solar System

Parent/Guardian Signature: _____

Weekly Reading Log: Write a minimum of three sentences about what you read during your daily reading (required minimum of twenty-five minutes per day). The writing can be a personal reflection, short summary of main idea, etc. A parent/guardian needs to initial the box "Parent Signature" to verify that the required reading has been completed. Happy reading! 😊
