

DAILY ILLNESS SELF-SCREENING CHECKLIST

Published: February 19, 2021

Employees and parents/guardians of students will be required to self-screen daily for symptoms of illness before entering district property or using district transportation (employees self-screen, parents/guardians screen their children). In addition, this Self-Screening Checklist should be used to determine whether there is a risk for potential illness or exposure to COVID-19. ***If an employee or student has any of the following symptoms, or COVID-19 exposure, the employee or the student should stay home, report or have parent/guardian report the absence and symptoms to the school or appropriate supervisor, and contact their healthcare provider as necessary.***

COVID-19 Diagnosis / Close Contact / Potential Exposure
<input type="checkbox"/> Employee, student, or someone in their household has been diagnosed with COVID-19
<input type="checkbox"/> Employee or student has had close contact (within 6ft of an infected person for at least 15 cumulative minutes) with a person diagnosed with COVID-19
<input type="checkbox"/> Employee or student has been asked to isolate or quarantine at home by a medical professional or a local public health department
<input type="checkbox"/> Employee or student has a <i>household member</i> who has been in close contact (within 6ft of an infected person for at least 15 minutes) with a person diagnosed with COVID-19, and the <i>household member</i> now has primary COVID-19 symptoms of illness
Primary Symptoms of COVID-19
<input type="checkbox"/> Fever (temperature of 100.4°F or higher)
<input type="checkbox"/> A new cough that has not been diagnosed or cleared by a healthcare provider
<input type="checkbox"/> Unexplained shortness of breath
<input type="checkbox"/> New loss of taste or smell
<input type="checkbox"/> Chills
<input type="checkbox"/> Difficulty breathing
Additional Excludable Symptoms of Illness
<input type="checkbox"/> Vomiting
<input type="checkbox"/> Diarrhea
<input type="checkbox"/> Undiagnosed rash or sores

*For information about exclusion see the Oregon Department of Education and the Oregon Health Authority guides: [Planning for COVID-19 Scenarios in Schools](#) and [ODE/OHA Communicable Disease Guidance for the School Setting](#)
