Robert Gray Middle School Unified Goal: All students will feel connected to RGMS as a result of the combined, coordinated efforts of RGMS and SUNCS staff to implement the Guaranteed and Viable Curriculum initiative while increasing students’ social intelligence, kindness and appropriate behaviors in an environment free of digital distraction during the 2019-20 school year. The goals and action steps of the PBIS TFI, AVID Site Team Plan, SUN Community School Annual Plan, and the Talented And Gifted Plan are coordinated to unify all practices and form the Continuous Achievement Plan (CAP). Multi-Tiered Systems of Support (MTSS) provides the overarching framework for ensuring tiered academic and behavioral practices and interventions.
