Read carefully and understand each detail before signing:

It is the practice of Portland Public Schools (District) to provide educational experiences under circumstances in which the District can take responsibility for assuring the student and parent/guardian a reasonably safe environment. In traveling off District property, additional opportunities are offered only if parent/guardian first acknowledge and approve potential risks that might be encountered.

SPECIAL WARNING

- 1. The District's sole representation and that of its representative(s) is that a quality educational experience will be pursued.
- 2. The dangers that are present in this trip are those commonly experienced by and known to all persons traveling with young people within the United States. The District cannot and does not claim to control such dangers. Parents wishing more information regarding the trip and its leadership should contact the Trip Leadership.
- 3.Participants must exercise the appropriate level of maturity and self-discipline for their age and extend the effort necessary to protect their individual safety and benefit from the experience. Each participant is urged to be continually on guard for the safety of others in the group and circumstances that impair that safety.
- 4.Parent/guardian must inform themselves of the level of supervision that will be on the trip, the details of the trip, and then judge for themselves, considering the behavior patterns of their student and their student's maturity, whether their student has the maturity and ability to accept direction and function responsibly and safely as a trip member in the unfamiliar situation.
- 5. The District and Trip Leadership will not make any judgments regarding the safety of non-District public transportation (common carriers) used, traffic hazard situations, unlawful behavior of strangers and other dangers to be found in the surroundings and cannot be expected to control student behavior that is contrary to the directions given to the party or individuals in the party.
- 6. The District has purchased an accident and emergency sickness insurance policy for students on field trips. The maximum benefit payable per accident is in excess of any other insurance.
