1	How are teachers handling the increased workload from distance learning?		Teachers gave their perspectives on current situation. New chromebooks coming in January for staff that will increase speed for using Seesaw and other distance learning programs that are currently lagging and running		

			slow. This should save teachers some time.		
2	Fun'd Run		Fun'd Run is usually held in May and is a fun, all school physical activity event that raises money for field trips, school supplies, school wide tshirts, etc... We did not get to hold the fun'd run last year due to school closing in March so we do not have any current fun'd run monies. We discussed holding the event virtually this spring and making sure everyone is included and no one feels pressure to donate if they do not have extra funds to donate.		Amber and the PE Teacher, Ms. Nguyen and the School Climate Team will discuss this event at their next meeting.
